Changing the view of the Vacation and Sick Leave Hours screen

Note: How the data is displayed will depend on the Internet browser version in use, the screen resolution, and any user-defined defaults.

There are three sections in the displayed window with pertinent information – the heading, the body (with details) and the footnotes; each can be viewed as-is, expanded or reduced in size.

1. The size of the sections can be expanded or reduced by moving the bars between them.
2. The scroll bars can also be utilized to view more of the heading or the footnotes at the bottom of the screen.
4. The column width can be optimized by placing your cursor in a cell and right-click; click Optimize Width.
5. The overall zoom percentage of the font can be increased or decreased.
