>80%: Congratulations! Ensure this plan is shared with all stakeholders and implemented with fidelity throughout the year.				
>60% and ≤80%: Good effort! Please review feedback and modify your plan so all staff can implement an effective plan.				
≤60%: Please seek district support to assist you in writing and implementing an effective plan.				
Thank you for submitting your 2018 SPBP. A few notes for your consideration... Critical element #1, your team should represent all of your stakeholders. You might consider adding teachers from each grade level. Element #4, some of your “rules” are not observable nor measurable. Rules should be stated as physical behaviors (for example what does appropriate voice level mean?) Your rewards program (Element 5) You need to use measurable data to clearly identify a behavior to improve. Your hypothesis needs to be alterable by staff, measurable and lead to the intervention. Your goal statement needs to follow the SMART format. You need to include specific details about the system. You need to evaluate staff implementation of the plan. You need to have ways to evaluate the student impact due to the plan. Please include a short plan (elements 8 & 9) on how you will how you will address implementation of classroom management systems and also how you will address disproportionality at your school. Please review the SPBP Brainsharks available on our website, this will help you collect accurate data to base your plans on.
