Tedder Elementary SAC Meeting 4-16-19

5:00- 5:30

E. Jones opened up.

Decisions for the school as a whole = vote on things

SIP 2019-2020- Ms. Jones reviewed the 2018-2019 School Improvement again and asked parents for their input on how to improve the 2019-2020 SIP. Parents like what is in place and do not have any additional input at this time. Ms. Jones asked parents to feel free to call the school if they come up with any suggestions later.

CURRICULUM NIGHT BEGINS

5:30-6:30

Rotation 1 Supplemental Aids and Accommodations for ESE

Understanding what they are and how they work

Four types: presentation, response, setting, timing and scheduling

Takeaways: Accommodations can make a difference, good to regularly monitor, tailored to each students needs

Rotation 2 Reading Strategies for K-2- Ms. Gardinet shows parents different ways to use sight word cards in the home. She also provided parents with resources to help students prepare for the Primary Assessments.

Rotation 3 Strategies for ELL's- ELL Resource teacher gave parents an ELL dictionary and had them look for vocabulary words. This was to help parents see exactly how students use them and how they benefit them in the classroom setting.

Rotation 4 Science Reading from Home

Planting some seeds- Hands on experience then complete the sheet and take a plant home and watch it grow. Activity came from

StemScopes. Science AZ is the reading program that they can use at home.
