SAC/SAF Minutes

September 13, 2018

- Meeting called to order at 2:15 by Mrs. Stephens
- Minutes from previous meeting in May 2018 reviewed and approved by Mrs. Green and second by Mrs. Witt
- Administration Report
 - Mrs. Frost provided a handout about 2018 FSA scores and how they are calculated by the state. Bayview made an A and made improvement from 2017 FSA scores!
 - Grades 3-5 are tested in ELA and Math
 - Learning gains were made and the lowest 25 percentile also made gains We showed improvement in the categories (7) that calculate our score.
 - Our enrollment is 580 students. We've have worked diligently with the demographics department and the re-registration process to ensure students are enrolled where they need to be.
 - We have 56 staff members. Class sizes are averaging 20 students(K-5).
 - Blended learning is in full swing. Students have access to I-Ready and this program provides remediation/instruction/enrichment for our students. Diagnostic testing for this program is underway and is 86% complete. **Thank you PTA for providing this new tool in reading and math!**
 - Mrs. Frost has applied to Cambridge International. Ft. Lauderdale High school uses this program and hopefully along with Sunrise Middle School Bayview will be able to use this method of instruction. The application is in!
 - Playground is being built! Yeah! The playground will be K-5.
 - A Fort Lauderdale police officer is here daily from 7:30-3:00. This may change to the guardian program, but for now we have an officer each day.
 - Staff checks campus daily for security procedures. Our visitors to campus have been very compliant with the new procedures.
 - Safe Haven International has been out to our campus. They are the company contracted by the district to make suggestions to the board to make our BCPS safer. They came this summer and walked the campus with Mrs. Frost and Mr. Ellis. This was phase one. In

phase 2 the company will watch a typical school day on our campus and then write a report. In phase 3 they will interview staff about safety and safety procedures.

-Fencing is being put around our campus to make us more secure. The video surveillance system has been updated and can be viewed by administration and the district. Question? Is a buzzer system for opening the office door to be installed? Mrs. Frost says it has been discussed, but the cost makes it unfeasable for now.

- New members to the committee were proposed because they are needed on the SAC committee. The vote was unanimous for the new members.

-Nancy Tanner

-Patty Bilowich

- Mrs. Stephens reviewed the SAC bylaws and they were ratified by the committee.
- Future meetings were handed out at the meeting. The dates are the following Thursdays:

October 4th

November 8th

December 13th

January 10th

February 7th

March 14th

April 11th

May 2nd

- Questions? Have the items voted on by staff, parents, and community come in to the school? Mrs. Frost updated the committee and stated items are still coming in and some of them just need installation(missing and broken parts).
- Motion to adjourn at 2:55 by Mrs. Stephens and second by Mrs. Khan
