

Crystal Lake Middle School

SAF Minutes

October 2, 2018

6:45 PM

1. Welcome

- Ms. Matias welcomed everyone to the SAF meeting.

2. Approval of the minutes from the September 4, 2018 meeting

- Ms. Rung approved the minutes from the SAF meeting and Ms. Ruwe 2nd the approval.

3. SAF District Meeting Report

- Ms. Desai discussed the SAF district meeting. The focus of the meeting was centered on safety. Mike Dorn was the guest speaker from Safe Havens. They are working with the district to help with increasing the safety at all the schools within the district. Many of the parents that attended the meeting were from Stoneman Douglas. Phase 1 and 2 of the safety-plan was discussed. Schools have a single point of access. Safe Havens is a company that has been hired to look at independent safety measures at each school. Phase 1 was a survey that Principals filled in. Phase two was a Safe Haven administrator coming to Crystal Lake Middle School and observing safety measures. One area of concern is once on campus visitors can get to the teacher

parking lot and a gate was suggested to be placed there. Are our SVE-students part of the Safety Plan? Our SVE students are part of the plan. Another part of phase 2 is looking at traffic patterns. A Safe Haven administrator will be on campus next week for this evaluation. By the end of October, the building assessment of all the schools in Broward will be completed. Safe Haven wants to set up a Hub in one building that will monitor the whole school district, virtually. People will be looking at cameras consistently throughout the day in the schools and outside the schools from the Safe Haven Hub.

4. Questions/Comments/Adjournment

- Ms. Rung motioned to adjourn and Ms. Carder 2nd the motion for adjournment.

Next Meeting – November 13, 2018
