Old Business:

- Installation of Aiphone System to control the electric door strike at the front entrance of the campus is in progress. We are now waiting for the District to come out to install the Aiphone as the wiring for the system is complete.

New Business:

- Concerns from the Community – none at this time
- Questions/Comments
 - Ms. Coleman sent out a parent link regarding the City of Plantation issuing citations for pedestrians jaywalking across Cleary Boulevard and crossing where cars are entering and exiting the school campus. There have been many calls both to the school and the police department regarding pedestrian safety at these two locations.
 - A parent link will be sent out to parents regarding following morning arrival procedures. This will assist with students getting to school on time.
 - A new camera was installed in the front of the school which now monitors the bus loop, sidewalk going into the front of the school, and both sidewalks on the north and south of the front entrance.

Motion to adjourn meeting made by Mrs. Carol Saponaro and seconded by Dr. Jill Carr. Meeting adjourned at 9:42 AM.

Next meeting is scheduled for Wednesday, May 15, 2019.
