- o School survey wording changes passed

- o Tabled health care professional in every school

- o Teachers are not following homework policies (across the board)

- o Safety dept. being developed district-wide (3.2 m project)

Safety corner identification

- o Penny tax approved 2019-2020:

More counselors

More security

Pay raises

- o Teachers bullying/intimidating students instead of following correct procedures for discipline. (Scott Jarvis: district personnel. Parents need to not be afraid to call either the principal or the district regarding a teacher.)

- o Substitute Pay: \$11/hr. Pushing for increase in pay. Majority wanted better pay for subs. Minority said if subs get raise, teachers should get raise as well.

- o College-bound numbers decreasing. Technical college scholarship programs available.

SAF Questions:

Reports:

- Principal's Report:

- o Safety & Security Principal's meeting from Monday 12/17; things coming for next semester. The district safe building is a process and we will be a part of the process. All cameras were checked to make sure they are functional.

- o Still on top of ID's – compliance is good.

- o Code Black drill on Monday 12/17 - feedback was good. Need to tweak some things, but overall our procedure is good.

- o Wonderful things going on in the school: soccer, concerts.

- Guidance Report:

- o Anti-bullying movie: school wide. Have a different theme for next semester (No-name calling).

- o ASVAB completed for career aptitude

- C/O 2022 – Not present
- SGA – Winter week Dress up days. Dodgeball raised +600 for Ronald McDonald's House. Fundraiser for next year's states. Donated toys. Color fest – domestic violence beneficiary. Staff Appreciation in February.

Open Forum:

- Code Black: before midterms (not reviewing or studying); poor timing? Future planning on different days. Officer Murray: SIU plans it with different schools. SIU doesn't take into consideration testing days.
- Officer Murray: Make a call, make a difference (MacMad). Non-emergency if you see something. Check out CSPD website: good videos for kids, safety info. Online reporting available. Reminder for holiday safety: keep doors locked, keep things tucked out of site. Check your vehicles and make sure you're safe for travel (brakes, tires, wipers). Home safety: check fire extinguishers, smoke detectors, etc.
- Question for SAF:
 - What is the purpose of additional counselors? For scheduling or for mental health? School Board wants equal across the board – have to go by numbers/need.
 - How do regular parents get information on SAC meeting? Can a robo-call go out.
