

Western High School
Sample A+ Funding Distribution Proposals
2018-2019 School Year

Proposal #1 will read as follows: All full-time staff, employed for 98+ days at Western High School, for the 2017-2018 school year, excluding those who resigned or were terminated for reasons other than relocation or retirement, will be eligible to receive an equal share of the remaining funds, after the deduction of Five percent (5%) or \$10,000.00, whichever is the lesser amount, which will be given to Western High School to fund the purchase of technology*. There will be a subcommittee appointed by SAC to review any special cases.

* - *This is a suggestion, but can be anything including "to be placed in the School General Fund."*

Proposal #2 will read as follows: All full-time staff, employed for 98+ days at Western High School, for the 2017-2018 school year, excluding those who resigned or were terminated for reasons other than relocation or retirement, will be eligible to receive an equal share of all A+ Funds, and no monies will be given to Western High School. There will be a subcommittee appointed by SAC to review any special cases.

The official ballot voted on by the staff shall contain an option to reject all proposals. The staff should be advised that any monies given to the school to make purchases are free of any taxes or standard District claims, which is not the case for funds paid to individual staffers.

Calculations: (for illustrative purposes only—these are not the actual dollar amounts)

A+ Funding: \$305,608

Proposal #1: (less \$10,000) \$295, 608 ÷ 213 Approx Staffers = \$1,387.83 per staffer (less payroll taxes).

Proposal #2: \$305,608 ÷ 213 Approx Staffers = \$1,434.78 per staffer (less payroll taxes).
