Review of minutes from April

SAF News

Parents inquiring about inclusion and educating the student/parent population regarding disabilities.

Discussed “Watchdog” program to promote father involvement in school. Will possibly begin next school year.

School Improvement Plan

Changing FACE plan. There will be a resource team next school year representing a variety of disciplines (teacher, parent, bus driver, custodian, etc..).

Schools will facilitate workshop to assist parents with social and emotional issues.

Principal’s Report

Next year is a gap year in math before new program is implemented.

Teachers have been offered training on how to implement math next year.

New science program

Grades 3-5 will get consumable books

Science A-Z- non fiction science readers and science experiments.

Test scores have not been received.

Final I Ready diagnostic is being completed.

First and Second grade completed end of year reading test.

Summer- Each grade level has completed a reading and math packet for students to complete over the summer. Looking at incentives to promote student participation.
