V. Principal's Report - Mr. Thompson

- recognized the new PTSO and thanked them for their wonderful lunch for staff during pre-planning week

-updates on safety/security/facilities included new locks have been placed on all doors, fencing around the perimeter of the school, students are wearing IDs, intercom system is new, single point of entry has buzzer installed, three points of entry for arrival and dismissal of students, hired additional security personnel currently at 15 and their times of work are staggered to cover time when students are on campus, currently there are three School Resource Officers, stop bleed kits have been placed in classrooms and in other areas of the school training on how to use kits is on going. Work will start on outdoor speakers for the courtyard, hallways and other areas of the school. In addition, BSO has created an app called SaferWatch that is available to parents.

-Portable update-Ready on day one of the school year, various classes, not grade specific or subject specific, canopies will be added to provide cover for walkways

-Painting of building continues

-Weight Room has been upgraded from Bond initiative

-Architect has been hired for new building and met with designers last week

-Recovery efforts-Ms. Hall is handling recovery, portables, new building and the bond projects on campus. Wellness Center is located on campus in two portables and available to students and faculty.

-The Resiliency center is still available to the community at Pine Trails Park M-F 12-7, and Sat/Sun 12-5.

-Two additional guidance counselors have been added, we have 19 new teachers this year along with two new administrators, nine therapists/psychologists.

-Open House was Tuesday, August 21.

-School enrollment currently stands at 3322

-We will continue with Professional Study Days. School dismissal will be at 11:40 PM on those days. List of dates are on our website. Usually these days are the first Thursday of the month.

-Congratulations to our three National Merit Semi-Finalists, Joyce Guo, David Wu and Florence Yared. Good luck at the next level.

-Our teacher of the year is Ronit Reoven and our non-instructional of the year is Raul Bermudez

-We are once again an "A" school

-We are continuing with the 4x4 block schedule

-The 2nd quarter officially ends on December 21, 2018. Mid-term exams will be taken December 18-21, 2018. Please DO NOT schedule early departures/vacations during this time as mid-terms are extremely important towards your child's GPA. We will be on half-day schedules those days with dismissal being at 11:40.

-The PSAT will be administered on Wednesday, October 10 to all 9th and 10th graders. Juniors may register and pay to take the exam.

-Important upcoming dates

PSD	October 4
Early Release	October 18
End of 1 st Quarter	October 18
Teacher Planning	October 19
2 nd Quarter begins	October 22

Vi. Officers Reports

- a. Co-Chairs and Secretary attended the SAC workshop on Tuesday, September 11
- b. Attendance was discussed by Ms. Figueroa School hotline for attendance is 322-2199. Please make sure you report your child's absence. Parents have 48 hours to call after absence. After 130 hours in absences, your child is reported as non attendance. For tardies please report the day of the tardy.
- c. School-wide Positive Behavior plan is being monitored by Brandy Hermosillo
- d. PSD day waiver is up for renewal. Do we want to continue? Parent agree it is necessary for our school and community. It will be presented at Parent Night on October 2, 2018.
- e. Accreditation is being monitored
- f. Currently we have \$16,281 in our accountability funds. We will send an email to staff advising them that these funds are available

Vii. New Business

-Parents had questions about safety and security of the school since February 14, 2018. Mr. Thompson addressed the questions and concerns of the parents.

-Abby Freedman spoke about the new fire alarm system slated to be installed at Stoneman Douglas. She is requesting that the fire alarm system, that was to be installed after the Bond issued roof and air conditioner installation, be installed ahead of those items. She also is seeking information as to why schools do not have a 3 minute delay with fire alarms.

-Leslie Caracuel, district advisory council appointee for district 4 nominated by Abby Freedman, reported the school board has requested agenda item be placed for discussion next week regarding information from the fire marshal with details, pros and cons of a new fire alarm system with a three minute delay. The board will ask why the three minute delay system is not in schools and only in hospitals and nursing homes in the State of Florida. The board will vote whether or not to accept or reject the fire marshal's recommendations based upon the information they provide. An update will be submitted to Mr. Thompson as soon as this meeting occurs. Mr. Thompson will communicate with his stakeholders. Stakeholders are advised to review the Broward County School Board agendas for exact date and times for the educational discussion with the fire marshal concerning the three minute delay fire alarm system. Our school board member Abby Freedman will consider all information provided by the fire marshal and make a determination at that time.

Next Meeting, Wednesday, October 10, 2018

PSD-WAIVER-BALLOT New.docx;

On Thursday, January 10 we will vote on whether or not we want to continue with PSD days. We will vote at the faculty meeting, following the end of the day, which is a PSD Day. This is to approve our new waiver for the next 5 years. We will still have to vote each year for the following year. I know it's confusing, but this is the process. Email Holly Van Tassel-Schuster with questions.

Broward County Public Schools Waiver for Professional Study Days

Broward County Schools is the largest fully accredited school district in the United States

School Improvement Waivers are designed to remove barriers to school improvement that have been found in state statute, school board policy, or collective bargaining contract (see School Board Policy #1403). Waivers must be based on sound educational research and evaluation, must be budget neutral to the district, must be supported by stakeholders in the local school community, and must be approved by 66.67% of the faculty. Waivers may be approved for up to five years by the School Board, but the faculty must approve the waiver each year. Waivers must be equitable for all students in a particular student group.

Please see the waivers standards operating procedural manual online (http://www.broward.k12.fl.us/ospa/initiatives.asp?initiative_id=5) for support information to complete this application.

- This waiver proposal was presented, reviewed, and endorsed by all stakeholders of the local school community at meetings on:

Community Meeting 1: 09/12/2018

Community Meeting 2: 10/02/2018

Community Meeting 3: 12/12/2018

5. The School Advisory Council voted on the **Professional Study Days Waiver** by 100% (minimum of 51%) on 12/12/2018.
6. The Faculty voted on the implementation of **Professional Study Days** by 93% (minimum of 66 2/3%) on 01/10/2019, according to the voting guidelines in the Broward Teachers Union Contract, Article 15.
7. Write the exact language of the school board policy or contract article that the proposed waiver will supersede.

The District shall provide that students at each school shall be dismissed two (2) hours early on six (6) days during the school year. Any school may opt-out of providing early release time by a 66 2/3 percent vote of bargaining unit members through the waiver methodology described in Article Fifteen, Section G, 2-4.

8. State the waiver: change, delete, or add to the policy or contract so as to fulfill the requirements of the proposed waiver.

In addition to the six early release days currently scheduled, the District shall provide that students at Marjory Stoneman Douglas High School shall be dismissed three hours early for eight additional days during the school year for the purpose of Professional Learning. The waiver is being requested for a five year period. Additionally, the school will analyze the effectiveness of the Professional Study Days based on the impact on student achievement to determine whether to continue the waiver as is, adjust the number of days being requested, or to discontinue the waiver.

9. State the rationale for the proposed waiver. How will the proposed waiver support school improvement? Give background information, history of barrier, etc.

The majority of the allocated time during pre-planning days will be spent on District mandated programs, including Marzano's Framework of Teaching and Learning Model, Common Core Implementation, Suicide Prevention, Anti-Bullying and Violence Prevention Programs and our school-wide initiatives, which include, but are not limited to: writing across the curriculum, standards-based literacy instruction, data analysis, development of common formative assessments, Instructional Focus Calendar development, technology roll-outs, CANVAS implementation, and data team roll out. By the addition of study days, our school will have additional hours for professional learning on early release and planning days. Adequate additional time is necessary to allow educators to continue unwrapping the state of Florida Standards, as well as prepare students for Standardized Assessments.

10. Recognizing that one strategy alone does not affect school-wide achievement, identify and explain the baseline data for the proposed waiver.

Marjory Stoneman Douglas High has a Professional Development Leadership Team in place that will assist with the Professional Study Days and to ensure quality staff development through the use of the quality review process. This team meets for one week during the summer to coordinate and develop the school Professional Learning Calendar. FSA data will be used to measure student achievement, high school graduation rate and enrollment percentages in college and career readiness courses (AP, Vocational, and Dual-Enrollment) and AMO Subgroups. Data will be analyzed and customer surveys will be reviewed to observe changes in school culture. In addition, all staff will be evaluated using the iObservation tool, during classroom walk-throughs, formal, and informal observations and will be provided feedback immediately by the administrative staff.

11. What reliable research studies, proven strategies, best practices, or similar programs support the probable success of the proposed waiver?

Dutour and Eaker have adopted that when a school develops and articulates specific plans to advance its vision and value to achieve its goals, it send the message that these areas are priority. The way in which a school structures its time for professional development can have a tremendous impact to the commitment of the change process.

- 12. **Stoneman Douglas High** will evaluate the effectiveness of the waiver each year. Include current data in alignment to the baseline data to measure the impact of the waiver.
- 13. Talent Development has a Professional Learning Community Design that includes Professional Study Days for Professional Learning Credits (formerly called Inservice Points). **Stoneman Douglas High** agrees to meet the requirements of successfully completing the Professional Learning Communities Database as directed by Talent Development.
- 14. We confirm that the **Professional Study Days** was implemented as described above:
