1. **90/10** (90% to Staff bonuses and 10% to school for student programs including materials and tutoring) with details listed below.
2. **95/5** (95% to Staff bonuses and 5% to school for student programs including materials and tutoring) with details listed below.
3. **None of the above.**

Details voted on by SAC:

- Staff is defined as every full-time and part-time employee at Cypress Bay High School. This includes custodial, cafeteria, secretarial, instructional, non-instructional, and administrative personnel.
- Full-time staff members are to be considered one unit and part-time employees are to be considered as a portion of one unit based on percentage of hours worked. This includes the staff Psychologist, the staff Social Worker, and the staff Family Counselor, according to District work records.
- Full and part-time employees of the 2017 - 2018 school year are eligible for the bonus. The cut-off period for employment is January 1, 2018. Employees hired after that date are not eligible. Any employee who worked for one day more than half of the school-days in the school calendar will receive the full bonus unless they were terminated or resigned. Anyone who worked less than half of the school days will not be included.
- Full-time employees not currently employed during the 2018 - 2019 school year but who stayed employed until year's end in 2017 - 2018 are eligible for 100% of the bonus. Staff members who retired or were promoted will receive a full unit of the bonus.
- New full-time employees during the 2018 - 2019 school year are NOT eligible for the bonus but ARE eligible to vote.
- Interim subs hired before January 1, 2018 who became full-time employees are eligible for the bonus and are affected by the provisions above. Pool subs that work full-time at Cypress Bay and do not report to another school are eligible for the bonus. If two employees shared the same position, they share one unit.
