

Dismissal

P.M. CARPOOL PROCEDURES

Due to serious concerns regarding safety to our school campus as well as our wonderful neighbors surrounding our school campus, we have implemented procedures for carpool pick up in the afternoon.

Please assist us as we successfully complete the extremely important and awesome task of safely moving approximately 200 cars through our very, very short road leading to our carpool area each and every day in under 20 minutes. Your cooperation and assistance is greatly appreciated!!!

BAYVIEW CARPOOL PICK UP

P.M. ONLY

RED = ENTERING

BLUE = EXIT

In order to provide for Emergency Vehicles (911) at all times during dismissal from school, as well as our neighbors, we are asking that all carpool traffic enter from Bayview Drive ONLY. We are asking that **no cars arrive southbound on Middle River** due to the congestion with our school buses and after care vans. The blind corner directly in front of our school presents a very dangerous situation in the event of the need for emergency vehicles.

PROCEDURES

Please stagger your arrival times. We are asking, when possible for families with last names ending in A-I arrive at 2:00 p.m, J-P arrive at 2:05 and Q-Z arrive at 2:10 p.m. This will prevent traffic congestion on Bayview Drive.

1. Display child's/children's name on your dash in **BOLD PRINT** on card stock.
Eg. JOHN SMITH
2. When your car is assigned a number by the **CARPOOL DIRECTOR**, your child will be called and waiting at the assigned number for you.
3. Pull up to the assigned number and load students. **DO NOT** get out of your car.
4. Wait until all cars in front of you begin to pull out and follow behind.

We will assign and load 10 cars at a time, with a goal of under 1 minute per cycle. If your child does not appear at your number and the cycle is leaving, we will ask for you to pull into the middle lane and someone will locate your children.

The following dismissal procedures must be observed for your child's safety and a smooth transition to the close of the school day:

- Only the yellow school buses will be permitted to park in the area designated "School Bus Area" in the front of the school.
- All cars and private school buses must pick up students on the east side of the building in the area designated for student pick-up.
- Walkers are dismissed down the south sidewalk next to the kindergarten playground.
