

*We are pleased to announce the second session of Bayview's enrichment after school program. **Club Bayview** will be held on Tuesdays and Thursdays 2:15-3:15, and Fridays 2:15-5:15. Clubs vary in size dependent on content and activity.*

At 2:00p.m, the regular classroom teacher will dismiss the students. Those enrolled in Club Bayview will proceed directly to the meeting area. The assigned teacher will come and pick up the students by 2:15 and they will proceed to their club.

After club is over, teachers will escort students out to the **car pick** up area. No child will be allowed to WALK or RIDE A BIKE HOME.

All aftercare students will be dismissed back to the Aftercare program. A prompt pick up by 3:15 p.m. is the responsibility of the parent.

There WILL be a late fee of \$15.00(per child) for each 15min increment after 3:30, 4:30 and 5:30. The pick up time is established by the Broward County School Board and MUST be strictly followed.

There are no refunds or make-ups absences.

Registration is first come, first served! Club Space is Limited!

You must **PAY** for the club on-line **FIRST**; then fill out the registration form. The number of students and cost per class varies dependent on activity.

Don't miss out on all the fun!

CLUB Bayview

Creative Learning that's
UnBelievable

CLUB Bayview (ELOP-Extended Learning Opportunities Program) is an after-school enrichment program offered through Broward County Schools at Bayview Elementary.

Registration Period: Jan. 21th-Feb.2

If you have difficulty registering,

Ms. Jones or Ms. Malewicz will be in the

Media Center

7:30-8:15a.m. and 2-3p.m.

Classes begin Tuesday, February 2, 2016

8-week program

CLUBBayview@browardschools.com

*All classes are taught by Bayview Elementary School staff or School Board approved vendors.

Club Descriptions

KraftyKids Grades 3-5 Instructor Mrs. Jones:
Do you love arts & crafts? Then you'll love this club! Students will create a different craft each week. We will be using a variety of materials and techniques. Some crafts include painting, ceramics, & origami. This is a very hands-on type of club, so come and get ready to have FUN!

**YOGA Grades K-2 Instructor Miss Cantalupo
Grades 3-5 Instructor Mrs. Cooper**

The practice of yoga is proven to help children increase concentration and focus, assist with neuromuscular development, as well as relieve stress and tension. A child who learns yoga, mindfulness and relaxation will be developing essential skills for a lifetime of health and wellness for the mind and body. Light snack will be provided before lesson. Please wear flexible clothing. Towel optional. Mats will be provided during lesson.

Odyssey of the Mind Grade 4 Instructor Mrs.

Moran Tap into your creativity to solve spontaneous problems and work with a team to create a solution to a community problem. Odyssey of the Mind (OM) teaches students creative problem-solving methods while having fun in the process. After practicing all these fun creative-problem solving activities, apply your creativity to create items needed for a community dog rescue. So if you like to think "outside the box", work as a team, and love animals...this is the club for you!

Birding for Beginners

Grades 3-5 Instructor Mrs. Tirrell This class is really for the birds! Learn how to identify birds and their songs. Use binoculars to bird watch around George English Park. You will even make a birdfeeder to attract birds to your backyard! If you like the outdoors, nature, birds and would love to know more about them, this is the perfect club for you.

**Sensational Science Grades K-2 Instructors
Mrs. Robinson & Ms. Schendowich**
Calling all future scientists! Did you ever wonder how to make a paper teacher spin in the air? You'll find out the answer to this and many other science questions by joining "Sensational Science" and conducting weekly hands-on science experiments. Students will predict the outcomes followed by conducting the experiments. These will go home each week so that your little scientist can amaze you with the results.

**BRAIN FITNESS Grades 3-5 Instructor
Coach Marrero** Learn strategic thinking, how to play chess, and unlock the mystery of Rubric cubes. Studies show chess develops critical thinking, logic, math, and science skills. This club is a true fitness work out for the brain!

Beginning Hip-Hop – Grades K-5:
This is a beginning Hip-Hop class offered by 5678 Dance, Inc. In Hip-hop students will be expressing the feeling of music and telling stories thru body movement building strength, stamina, coordination and muscle memory. This club promotes fitness, discipline, self-confidence and self-awareness in a fun and non-competitive environment.

Musical Theater – Grades K-5:
An introduction to musical theater incorporating singing, dancing and acting along to all the famous Broadway shows and movie musicals. This is a beginning Jazz class offered by 5678 Dance, Inc.

Cheer Dance – Grades K-5:
An introduction to cheerleading and basic tumbling. In this class the student will work on basic tumbling fundamentals and basic cheer fundamentals. Jazz dancing will also be combined with the class. This is a beginning cheer class offered by 5678 Dance, Inc.
