

We are pleased to announce the spring session of Bayview's enrichment after school program.

Club Bayview will be held on Tuesdays and Thursdays 2:15-3:15, Wednesdays from 2:15-4:15 and Fridays 2:15-5:15.

Clubs vary in size and cost dependent on content and activity.

At 2:00p.m, the regular classroom teacher will dismiss the students. Those enrolled in Club Bayview will proceed directly to the meeting area. The assigned teacher will come and pick up the students by 2:15 and they will proceed to their club.

After club is over, teachers will escort students out to the **car pickup** area. No child will be allowed to WALK or RIDE A BIKE HOME.

All aftercare students will be dismissed back to the Aftercare program. A prompt pick up by 3:15 p.m. is the responsibility of the parent.

There WILL be a late fee of \$15.00(per child) for each 15 min increment after 3:30, 4:30 and 5:30. The pick up time is established by the Broward County School Board and MUST be strictly followed.

There are no refunds or make-ups for absences.

Registration is first come, first registered! Club Space is Limited!

You must PAY for the club on-line FIRST; then fill out the registration form.

Don't miss out on all the fun!

8-week consecutive program**

CLUBBayview@browardschools.com

*All classes are taught by Bayview Elementary School staff or School Board approved vendors.

Club Descriptions

YOGA

Grades K-2 Instructor Miss Cantalupo

Grades 3-5 Instructor Mrs. Cooper

The practice of yoga is proven to help children increase concentration and focus, assist with neuromuscular development, as well as relieve stress and tension. A child who learns yoga, mindfulness and relaxation will be developing essential skills for a lifetime of health and wellness for the mind and body.

Birding for Beginners

Grades 3-5

Instructor Ms. Tirrell This class is really for the birds! Learn how to identify birds and their songs. Use binoculars to bird watch around George English Park. You will even make a birdfeeder to attract birds to your backyard! If you like the outdoors, nature, birds and would love to know more about them, this is the perfect club for you.

BRAIN FITNESS

Grades 3-5

Instructor Coach Marrero Learn strategic thinking, how to play chess, and unlock the mystery of Rubric cubes. Studies show chess develops critical thinking, logic, math, and science skills. This club is a true fitness work out for the brain!

Golf Academy

Grades K-2 and Grades 3-5

Come learn the basic 6-step formula as you learn the proper fundamentals of golf. Students will learn the importance of golf safety & etiquette, parts of the golf club, basic rules and terminology used in the game of golf. They will learn the proper grip, set-up, take away, back swing, impact & finish! Students will also learn the differences between irons & woods, putting, pitching and chipping. Broward Approved Vendor

Spanish

Grades 2-3

Instructor Mrs. Mazin

Tuesday and Friday!!!!!!

Introduction to Spanish is a bi-weekly class to engage students with an integrated curriculum focusing on basic grammar, vocabulary, and conversation. Students will explore the Spanish language through music, poetry, literature, media and the arts. Hey kids, let's enjoy learning Spanish and have fun!

Beginning Hip-Hop – Grades K-5:

This is a beginning Hip-Hop class offered by 5678 Dance. Inc. In Hip-hop students will be expressing the feeling of music and telling stories through body movement building strength, stamina, coordination and muscle memory. This club promotes fitness, discipline, self-confidence and self-awareness in a fun and non-competitive environment.

Musical Theater – Grades K-5:

An introduction to musical theater incorporating singing, dancing and acting along to all the famous Broadway shows and movie musicals. This is a beginning Jazz class offered by 5678 Dance. Inc.

Cheer Dance – Grades K-5:

An introduction to cheerleading and basic tumbling. In this class the student will work on basic tumbling fundamentals and basic cheer fundamentals. Jazz dancing will also be combined with the class. This is a beginning cheer class offered by 5678 Dance. Inc.

Engineering 101- Grades K-1 and 2-3

\$35 one time usage fee per student

Engineering 101 showcases some of the best lessons from selected disciplines. Students will get the opportunity to use the Engineering Design Process to design, build and test some highly engaging projects. Broward Approved Vendor

Software Engineering – Grades 2-3

\$35 one time usage fee per student

Scratch-Video Sensing – Video sensing allows students to design and program their own video games. Students work together to create their own games, art and musical instruments while exploring coding. Broward Approved Vendor

Hardware Engineering – Grade 4 & Grade 5

\$35 one time fee per student

Imagine designing a piano using celery; envision playing video games using your body. Through application of circuitry, acoustical engineering and video game design, students discover new ways to interact with technology. Broward Approved Vendor
