

Introducing Broward County School Board's Family & Friends Program

We are thrilled to offer all Broward County School Board employees our full line of mortgage products. AND...there's an added bonus. We wish to offer the same great service and specials to your family and friends as well.

It's our way of saying thanks for the service and sacrifice that those in your department provide to our community on a daily basis.

We will waive application and processing fees and will refund your appraisal money at the time of closing.

So, whether you're planning to buy a new home, or refinance your existing mortgage, we will help you find the program that best fits your needs.

Interest rates are still at an all time low, so call now for a free credit analysis.

We'd like to do our part in making your life better...
