Dear Cobra Families:

We have had a great first half of the year! Our students are actively engaged in their classes with valuable teaching and learning taking place. We have had some great successes as a school in recent weeks. We had 160 eleventh and twelfth grade students pass the Reading and/or Math FCAT and we improved our school grade to a "C" according to the State's Accountability System. We are on the path to success and know that there are even more great things in store for BA in 2011!

As the holidays approach, I wish all of you a joyous season filled with the love of family and friends. We wish all of our students and their families a safe and restful holiday break and look forward to starting the new year with a bang. Enjoy each other and be safe.

With Cobra Pride,

Angel Almanzar  
Principal
