Product Idea Form

Have you created a teaching tool that helps you and your students?
Is this something that other teachers might be able to use?
Are you willing to share your idea?

Let the Teacher Resource Store make your idea into a reality!

If your idea is something we can create, we will produce it. You will then be featured on our website and your item will be available to others. You will also be eligible to earn a \$50 gift certificate to be used toward instructional materials that we sell. Submit an idea for a new poster, bookmark, or printed items to assist in classroom instruction.

Just fill out the form below and send it to the Teacher Resource Store. Send us a sample or drawing of your idea. If our selection panel is interested in your idea, you will be contacted.
