

## APPLICATION FOR DIGITAL DIVIDE EQUIPMENT

As part of the *Digital Divide Program*, The School Board of Broward County, Florida (SBBC) “DONOR” releases equipment ownership and any liability derived from its future use (such as parts or software break-down) to the transferee “RECIPIENT”. This technology equipment is released--with a functioning operating system--by the DONOR at no cost to the RECIPIENT. Furthermore, RECIPIENT acknowledges that, if approved to receive donation of technology equipment from the Digital Divide Program, it will use the equipment to “Eliminate the gap between those people and communities who can make effective use of information technology and those who cannot.”

### ALIGNMENT WITH SBBC GOALS

To be able to receive donated equipment from the Digital Divide Program, “APPLICANT” must meet certain eligibility criteria. APPLICANT, please check the box that best describes your primary goal in support of educational activities:

- Support SBBC school-based programs
- Support curriculum programs that provide direct support to SBBC schools
- Support departmental programs that provide direct support to SBBC staff
- Support programs outside of SBBC that have established partnerships with departments that provide parent support and training
- Other (Please attach page with detailed information.)

**DISCLAIMER:** Central Processing Units released to RECIPIENTS by DONOR are operational and in good working condition. Level of technological capability depends on the unit's hardware specifications. All central processing units donated to the public are re-initialized (low-level initialization) and have a clean operating system reinstalled. RECIPIENTS are not entitled to any software upgrades. Software installed is provided "AS IS" and SBBC is not responsible for any faults found within. No additional warranties to these items--either written or implied—exist or may be made by The School Board of Broward County, Florida or its employees.

**APPLICANT Acknowledgement:**

I acknowledge that all information contained in this application is a true and accurate representation of the nature and purpose behind the initiative for which my organization is requesting this equipment. In addition, I understand that I will have to adhere to an accountability process reporting the utilization of the equipment back to SBBC. Furthermore, I acknowledge that, if my application is approved by the Digital Divide Program, the Program will release ownership of the equipment to my organization free of charge; that my organization will be responsible for picking-up the equipment from SBBC premises; and, that if the equipment (hardware/software) needs service at a future date, the cost for the item(s) transportation, service, and repair will be at my organization's expense.
