PARENTS: Before signing this waiver, please read the following:

Exempting exams is a **reward** for satisfactory or better academic progress. It is widely recognized that students benefit from the study skills practiced when preparing for semester exams similar to those used in post-secondary schools. Students who choose to exempt their exams may forgo the opportunity to improve their semester grades by taking their exams and earning higher grades. Even when eligible, students have the option **not** to use the exam exemption.

- The student is responsible for the return of this form as required by administration.
- No exam exemptions will be granted without the required form being completed, signed, and turned in **before the deadline**.
- Students are reminded that they can only exempt three of their exams per semester.
- Students should be aware that if their grade falls below a “B” average prior to the end of the semester, they would be required to take the exam for that course.
- Failure to abide by this policy will result in the student having to take the exams for all of their classes.
