

New Gifted Academy opening for the 2018/2019 school year @ Plantation High School for incoming 9th grade students.

Gifted students have unique academic and affective needs. Administrators and teachers at Gifted Academy support a philosophy that acknowledges the need for and provision of a highly engaging and challenging academic learning environment. To meet these needs the academy provides specialized programming tailored to meet the personal learning goals for each individual student.

Individual and small group programming for gifted students is provided in every classroom and at every level and reflects the multiple talents, challenges and cultural diversity of the district's population.

Students must meet the gifted eligibility requirements and have a current educational plan (EP) to apply.
