SUBJECT: **2016-17 FIRST DAY ENROLLMENT COUNT**

The first day total enrollment count reported **271,222 students** registered in TERMS, the District's student database. This is an increase of **1,979 (+0.7%)** from the total number of students registered in TERMS on the first day of school last year, August 24, 2015. The enrollment increases occurred at the prekindergarten and middle school levels, and at charter schools. Enrollment at District traditional elementary and high schools decreased slightly.

This year at District traditional schools, the enrollment count for the first day of school at all prekindergarten through twelfth grade schools and centers, not including charter schools, was **226,223**. This number represents an enrollment increase of 75 students as compared to the total number of students registered in TERMS on the first day of school last year.

This year at charter schools, the enrollment count for the first day of school was **44,999**, an enrollment increase of 1,904 from last year's first day count of 43,095. Four new charter schools opened for the 2016-17 school year, while five closed since the first day of the 2015-16 school year.

The first day TERMS enrollment count is a good predictor of the District's official benchmark date enrollment, historically being about 99% of that enrollment count. Last year the total number of students at District and charter schools registered in TERMS on the first day of school was equal to 100.2% percent of the enrollment at the benchmark date. This year, the first day enrollment for all District and charter school is equal to 99.8% of the 271,856 students projected to be enrolled at the benchmark date, September 12, 2016.

On the first day of school prior to 2013-2014, a physical student head count of all students present during the first period was conducted.

The student enrollment registered in TERMS, however, was found to be a better indication of the official benchmark enrollment count which occurs every year on the Monday following Labor Day.

Attached to this memorandum is the 2016-2017 First Day Enrollment Count for each school, center, and charter school by grade level. The data supplied is not currently disaggregated for race, ethnicity, English Language Learners (ELL), Exceptional Student Education (ESE), or Free and Reduced Lunch (FRL). This disaggregated data will be available with the official benchmark day enrollment report the week of September 12, 2016.
