

Safety Update

We would like to make the following safety recommendations to be followed by students, parents, and or staff who are collecting money for parking at our school district sites:

1. Adult supervision is required during the entire time.
2. Do not stand in the street to collect money or direct traffic.
3. Post a sign at the entrance to the parking lot advising the Parking Fee and the amount.
4. The area where the students, parents, and or staff, are collecting the money needs to be far enough away from the entrance area into the parking lot, to allow vehicles to be able to get off the road before having to pay the parking fee.
5. Anyone who is collecting the money or directing vehicles on the school district site need to be wearing reflective safety vests, in order to be visible to the driver.
6. Anyone who is collecting the money or directing vehicles on the school district site need to have a working and reliable flashlight, in order to be visible to the driver.
7. The area where the collection of the money for parking is performed, should be marked with orange traffic cones with reflective markings, (minimum 27 inches in height) in order to form a traffic lane and provide an area where the students, parents, and or staff can stand behind.
8. Make sure that water is available to those working the parking detail.
9. If the parking event is held during the day that shade is provided, either by pop up type of tent or large umbrella.
10. Check with the School District's Police Department for the proper handling and storage of the money that is collected.

MONEY-RAISING ACTIVITIES
