

COMPREHENSIVE ENGLISH LANGUAGE LEARNING ASSESSMENT - FREQUENTLY ASKED QUESTIONS

Q. Who needs to be administered the CELLA?

A. All students enrolled in the district (grades K-12) and classified ELL, with a code of "LY", at the time of testing. All students coded "LF" on or after September 1, 2011.

Q. What if a student is absent for the CELLA group administration?

A. The CELLA Administration window is from March 5 - April 6, 2012. The group administration is scheduled from March 19 - 23, 2012. All attempts must be made to administer all sections of the CELLA to all appropriate students by April 5, 2012 (Schools are closed on April 6th).

Q. What sections are individually administered/group administered?

A. All sections of the CELLA are individually administered to all Kindergarten students. The One-on-One/Speaking sections are individually administered to all students. The Listening, Reading, and Writing sections are group administered to students in grades 1-12.

Q. How can additional materials be ordered?

A. Orders can only be placed after the initial shipment is received and checked. After materials have been inventoried, you can request supplemental materials by sending an email to the Student Assessment Cnf via CAB or assessment.materials@browardschools.com.

Q. How can the CELLA Electronic Checklist be accessed?

A. The Security Checklist/Administration Record can be accessed through the following website: <https://fl-servicepoint.questarai.com/Login.aspx>. Once at the site, click on the "click here" link on the bottom corner of the page (do not login). Select your district (Broward) and school from the drop-down boxes and a Security Checklist for your school will populate in the bottom left corner of the screen. Save this list to your desktop. Then complete all appropriate sections.

Q. Are ESE students exempt from CELLA testing?

A. An ESE student's Individual Education Plan (IEP) indicates whether the student is exempt from state or district standardized tests. Please adhere to the guidelines set by an ESE student's IEP.

Additional questions and answers will be posted on the ESOL CAB Conference and on the Department Website.
