It is important to note for FCAT, ELLs must have access to an English-to-heritage language translation dictionary and/or heritage language-to-English translation dictionary, such as those made available to ELLs in an instructional setting. However, a dictionary providing definitions written exclusively in the heritage language or in English may not be provided. Use of electronic dictionaries is strictly prohibited and may be cause for invalidation. Please refer to the FCAT Test Administration Manual for specifications.

Technology Software

The following is a suggested list of software that can be used for ELLs.

| Software | Representative | Brief Description |
|---|---|--|
| Brainchild | Joey Gamble Tel: (800) 811-2724 Tel: (239) 248-5113 jgamble@brainchild.com www.brainchild.com | <i>The Study Buddy</i> gives all the instructional benefits of interactive programs on computers. The software is on cartridges, containing up to 25 lessons and 1,000 question items. Multimedia and self-paced feedback gives unlimited instruction and guidance. |
| Compass Learning Grades K-12 | Lisa Dreyer Tel: (954) 545-0744 ldreyer@compasslearning.com | A software-based curriculum assesses each student's understanding of key objectives. Based on this assessment, a student is automatically prescribed a personalized learning path filled with engaging activities. |
| Destination Reading Grades PreK-8 | Houghton Mifflin Harcourt River Deep Gale Teegarden Tel: (954) 494-8707 gale.teegarden@hmhpub.com gsteegarden@riverdeep.net | Captivates early learners and extends to adolescents during the critical middle-school years. Directly addresses individual needs through adaptive, explicit, and differentiated instruction, high-interest content, and interactive software, and is proven effective in reaching all students and accelerating proficiency. |
| Destination Math Grades K-12 | | Transforms math instruction and bolsters student understanding through a highly interactive learning environment. Students see everyday applications presented in an engaging, interactive, real-world format—increasing their reasoning, conceptual understanding, and problem-solving skills. |
| Earobics Grades PreK-3 | | Incorporates interactive software instruction that is highly engaging and automatically tailored to the skill level of each student. Student and teacher resources provide additional guidance in vocabulary, phonemic awareness, phonics, fluency, comprehension, and writing. |
| eBlocks Grades Pre-K - 5 | Lizbeth Uzcategui Tel: (305) 772-6134 www.eblocks.net | eBlocks is a multi-level method of teaching Math, ESOL, and introducing children to initial literacy skills. It is a multi-sensory approach to language acquisition that incorporates TPR and cooperative learning. |
| ELLIS Grades K-12 | Jason Lasnetski/Gerald Flournoy Tel: (954) 224-9717 Tel: (305) 395-5768 jason.lasnetski@pearson.com gerald.flournoy@pearson.com | Addresses the needs on non-native English speakers to foster English language learning. It offers explicit, individualized, and engaging instruction. |
| ESL Reading Smart Grades 4-12 | Clara Rojas support@eslreadingsmart.com | Provides a blended instructional environment that combines online activities for the students, and teacher lesson plans to be implemented in the classroom. This program covers all levels of interactive English learning. It offers a total of 135 lessons at four different levels with hundreds of assessed vocabulary and comprehension online activities for students. Student progress is monitored on a daily basis. |
| Daily Practice Interactive Whiteboard Applications | Evan-Moor James Lefevre Tel: (772) 288-2063 Cell: (305) 586-4260 jimlefevre@aol.com | Downloadable computer applications ideal for interactive whiteboards. Includes Daily Language Review, Word A Day, Daily Paragraph Editing, and Daily Math Word Problem activities. |
| Imagination Station iStation Grades PreK-5 | Sylvia Fumero Cell: (305) 987-5432 Tel: (866) 380-9820 sylvia@thefumerogroup.com | A comprehensive based reading and intervention program that helps ensure students reach their reading potential through continuous progress monitoring and layered instruction and intervention. |

| Software | Representative | Brief Description |
|---|---|--|
| Imagine Learning Grades K-2 | Susie Garcia Tel: (305) 297-2019 susy.garcia@imaginelearning.com www.imaginelearning.com | Interactive computer program designed to accelerate English language acquisition. It is a supplement to the core program being used in the classroom. |
| LeapFrog School House Language First! Grades K-5 | Tel: (800) 883-7430 www.LeapFrogSchoolHouse.com | Interactive and themed books that boost students' language skills and essential vocabulary. |
| Learning Today Grades K-5 | Robin Baker Tel: (954) 584-5250 www.learningtoday.com robin@learningtoday.com | Online software that helps students build critical reading and math skills. Its award-winning Smart Tutor program provides an integrated learning system that includes formative assessment, individualized instruction and on-demand reporting. |
| Visual Thesaurus Grades Pre-K-12 | Thinkmap, Inc. Tel: (212) 285-8600 www.thinkmap.com | Enhance literacy instruction |
| Discover Intensive Phonics Grades Pre-K-3 | Caroline McNair Tel: (954) 462-7331 carolinemcnair@att.net | The Discover Intensive Phonics educational reading program provides everything teachers and students need to achieve reading success. The Interactive Computer Software engages students while direct instruction classroom materials help reinforce and solidify learned concepts. The direct instruction materials are specifically designed to meet the unique needs of varying elementary classrooms. The non-consumable Teacher's Kits can be used year after year. |
| HELP Program Grades 3-8 | | HELP Math is a technology-based mathematics intervention. It embeds sheltered instructional techniques and emphasizes math technical vocabulary, academic English, and systematic language development |
| Reading Horizons Grades 4-12 | | Reading Horizons employs a phonics method which is easy to learn and easy to teach. It utilizes software and teachers kits for classroom instruction, which are specifically designed for older students. It teaches a systematic approach and unique marking system to help students break the code. Reading Horizons is a scientifically based reading system that has been researched and tested for over 30 years. |
| Rock Talk Grades 9-12 | | Using internationally known pop hits, Rock Talk helps ELL students with phonics, fluency, grammar, vocabulary, conversation, and writing. It is designed as an ESOL through music curriculum. Rock Talk demonstrates how music can be used to effectively teach vowel and consonant sounds, embedded grammar and vocabulary. |
| Hollywood Classroom Grades 9-12 | | Hollywood Classroom allows instructors to harness the power of blockbuster movies to improve ELL students' listening comprehension, vocabulary acquisition, comprehension, and mastery of grammar concepts. Each of the five volumes contains curriculum for two movies. There are three levels of reproducible lesson plans to accompany each volume so that it can be used across skill levels. |
| ReadOn Grades 6-12 | Stephanie Eichner Tel: (954) 581-1677 Tel: (800) 782-2512 stephanie.eichner@harcourt.com | This reading intervention solution provides the content and flexibility to meet the needs of struggling readers and meets the needs of the teams of educators and administrators who are working to help students succeed at reading. |
