It is important to note for FCAT, ELLs must have access to an English-to-heritage language translation dictionary and/or heritage language-to-English translation dictionary, such as those made available to ELLs in an instructional setting. However, a dictionary providing definitions written exclusively in the heritage language or in English may not be provided. Use of electronic dictionaries is strictly prohibited and may be cause for invalidation. Please refer to the FCAT Test Administration Manual for specifications.

Suggested List of ESOL Supplementary Materials Grades 9 – 12

Textbook/Material	Representative	Brief Description
Voyager Passport Reading Journeys Grades 6-High	Voyager Expanded Learning Rolando Rodriguez Tel: (888) 399-1995 ext. 7432 Cell: (305) 431-0053 Email: rrodriguez@voyagerlearning.com www.voyagerlearning.com	Voyager provides explicit, systematic word study, vocabulary, comprehension, and fluency instruction that are age - and interest - appropriate both in design and implementation for adolescents. Formatted as a series of 15 two-week units, called Expeditions, the goal of <i>Passport Reading Journeys</i> is to accelerate students to reading proficiency through whole-group and small group instruction, as well as, partnered and independent practice and application.
Shining Star Keys to Learning or Introductory Level A - C	Pearson/Longman Neldy Rubio Tel: (800) 375-2375 ext. 9131 Cell: (305) 525-1750 Fax: (305) 969-2009 Email: neldy.rubio@pearson.com	Shining Star provides a bridge to literature, informal reading, and content courses. It includes systematic vocabulary instruction and instruction in reading, writing, listening, and speaking. Keys to Learning is part of the Shining Star series, but it is specifically catered to ESOL students who are newcomers. It gives newcomers a great start in language acquisition and introduces them to academic skills.
Focus on Grammar Levels 1-5		A grammar text that combines controlled and communicative practice with critical thinking skills and ongoing assessment, it gives students opportunities to practice using grammar in the contexts of reading, writing, listening, and speaking.
Be a Better Reader	Pearson AGS Globe Julissa Torguet Tel: (800) 435-3499 ext.7340 Cell: (305) 733-6163 Email: julie.torguet@pearson.com	It consists of 8 leveled workbooks for content-area reading. It is time tested and research based to provide students in the upper grades with reading selections and skills.
Illustrated Classics Graphic Novels Grades 6-12	Sylvia Fumero Cell: (305) 987-5432 Tel: (866) 380-9820 Email: sylvia@thefumerogroup.com	This series features classic tales retold with attractive color illustrations. Each 70-page soft-cover book retains key phrases and quotations from the original classics. Features author biography, character maps. Teaches and reviews literary and language skills. Study guides support and extend introduction to great literature with reproducible exercises for vocabulary and comprehension skills.
The Oxford Picture Dictionary	Oxford University Press Svetlana Montgomery Tel: (866) 347-8603 Fax: (772) 873-4550 Email: svetlana.montgomery@oup.com	Illustrates over 3,700 words in color presented in context. Offer key topics targeted to meet the needs of young adults. Includes exercises for practice and review.
On Location	ESL McGraw-Hill Danny Kolker Tel: (305) 532-5251 Tel: (888) ESL-BUZZ Email: danny_kolker@mcgraw-hill.com	On Location enhances and accelerates academic skill development from the newcomer to intermediate levels. It is a four-level reading and writing supplemental series that provides enrichment rather than a remedial approach to language and literacy development. It gives students the time they need to develop powerful academic reading, writing, and communication skills.

Textbook/Material	Representative	Brief Description
<i>Hispanic American Biographies</i>	<p align="center">Heinemann/Raintree Maribel Ariano Tel: (954) 431-6992 Tel: (888) 454-2279 Email: mariano@comcast.net</p>	Biographies of Hispanic-American men and women from the 1940s to the 1970s make revealing connections between the subject-at-hand and his or her contemporaries.
<i>African American Biographies</i>		These biographies tell the stories of musicians, writers, and actors whose perseverance and unique qualities continue to set examples today. Those who overcame adversity and hardship will inspire readers.
<i>The Holocaust</i>		Prelude to the Holocaust, Art, Music, and Writings from the Holocaust, The Camp System, Resistance to the Nazis, and Viewing the Holocaust Today are titles included to educate students about the history of the Holocaust.
<i>Multicultural Classroom Libraries</i>		In these classic three-part series history, archaeological evidence, and primary source material combine to vividly portray daily life in ancient cultures. Each book examines a specific aspect in depth, allowing readers to make comparisons with their own lives.
<i>We Are America</i>		The journeys of real immigrants form the backdrop for this series about ethnic cultures that have flourished in America. Beginning with life in the home country, each book details the experience of coming to the United States.
<i>American Lives</i>		Explores the lives of American people who did great things for the United States. Students will learn about these important people and what they were like. They will read about the person's family, childhood, school years, working years, and accomplishments.
<i>Hands-On American History</i>		This series combines history and hands-on activities to create books, providing historical and cultural background about the featured era.
<i>Picture the Past</i>		Learn basic history by visiting communities from our past. Each book is filled with photos of important political and geographical events through the lens of everyday life.
<i>Americans at War: The Civil War</i>		Investigate wars from multiple angles: the battles, the people and the home front, and their significance.
<i>Point of Impact Social Studies Science</i>		Examines immediate and far-reaching consequences of important historical events, with special emphasis on cause and effect. Includes titles such as Assassination in Sarajevo: The Trigger of World War I, The Fall of the Berlin Wall, The Cold War Ends, The Irish Famine: The Birth of Irish America, Pearl Harbor: The U.S. Enters World War II, The Printing Press: A Breakthrough in Communication, Hiroshima: The Shadow of the Bomb, etc.
<i>Witness to History</i>		Primary source accounts of history add an unmatched authenticity to this series. Each book introduces the period and the available sources, justifying we can rely on them, who produced them, or why they survived.
<i>Voices of Freedom</i>		Explores important documents and speeches in the fight for freedom and civil rights for all Americans.
<i>On the Front Line</i>		Includes the titles In the Trenches in World War I, Under Fire in World War II, and Fighting the Vietnam War.
<i>20th Century Perspectives</i>	Provides in-depth background information and descriptions of important events in history, while considering the causes and effects, the issues at stake, the people involved, the aftermath, and the consequences.	

*Please note that this list of materials is suggested but is not all inclusive.
