

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
NOTICE OF FREE AND REDUCED PRICE MEAL POLICY

Children need healthy meals to learn. Broward County Public Schools offer healthy meals every school day. Breakfast costs \$1.10 in Elementary and \$1.20 in Middle and High School; lunch costs \$1.90 in Elementary, \$2.25 in Middle and \$2.40 in High School. Your children may qualify for free meals or for reduced price meals. Reduced price is \$0.30 for breakfast and \$0.40 for lunch. Meal prices at Charter schools may differ from Broward County Schools' meal prices.

Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. **Use one Multi-Child Application for Meal Benefits for all students in your household.** We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Food and Nutrition Services, 7720 W. Oakland Park Boulevard, Suite #304, Sunrise, Florida, 33351. **Who can get free meals?** All children in households receiving benefits from Florida SNAP, Florida TANF or the FDIPIR (Food Distribution Program on Indian Reservations), can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Eligibility Guidelines. **Can foster children get free meals? Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Can Homeless, Migrant, and Runaway children get free meals?** Yes, children who meet the definition of homeless, migrant, or runaway qualify for free meals. If you haven't been told your children will get free meals, please call or e-mail the School Board of Broward County Homeless Liaison at 754-321-2494 or Migrant Coordinator at 754-321-1414 to see if they qualify. **Who can get reduced price meals?** Your child(ren) can get low cost meals if your household income is within the reduced price limits on the Federal Eligibility Income Chart, shown below. **Should I fill out an application if I received a letter this school year saying my children are approved for free meals?** Please read the letter you got carefully and follow the instructions. Call the Food and Nutrition Office at 754-321-0250 or email freereducedmeals@browardschools.com if you have questions. **My child's application was approved last year. Do I need to fill out another one?** Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the Food and Nutrition Office told you that your child is eligible for the new school year. **I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application. **Will the information I give be checked?** Yes, and we may also ask you to send written proof. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free or reduced price meals if the household income drops below the income limit. **What if I disagree with the Food and Nutrition Office's decision about my application?** You should talk to an official at the Food and Nutrition Office. You also may ask for a hearing by calling **754-321-0250** or writing to: Director of Food and Nutrition Services, 7720 W. Oakland Park Boulevard, Suite # 204, Sunrise, Florida, 33351. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and expenses. You must include yourself and all children living with you. If you live with other people who are economically independent (for example, people who you do not support, who do not share income with you or your children, and who pay a pro-rated share of expenses), do not include them. **What if my income is not always the same?** List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income. **We are in the Military. Do we include our housing allowance as income?** If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. **My spouse is deployed to a combat zone. Is combat pay counted as income?** No, if the combat pay is received in addition to basic pay because of deployment and it wasn't received before your spouse was deployed; combat pay is not counted as income. Families should include the names of the deployed service members on their application. Contact the Food and Nutrition Office for more information. **My family needs more help. Are there other programs we might apply for?** The information on this form can be shared with Medicaid or Florida KidCare Programs and will not affect your child's eligibility for free or reduced price meals.
