FAU GRADUATE LEVEL COURSE IN PARTNERSHIP WITH SBBC

TUITION WILL BE PAID BY SBBC - For Contract Teachers Only!

- Graduate Credits (3 Hours) Only – no inservice points awarded
- 8:00 AM to 4:00 PM

Description: Participants of the Digital Education Teacher Academy (DETA) will use technology to improve student achievement in the core curriculum areas; learn strategies for integrating technology that can be incorporated into daily practice; and learn how to use new technologies such as Internet-based curriculum and digital tools. Participants in DETA create lessons or projects demonstrating the integration of digital strategies and resources into core curriculum areas, which then can become a best practice Unit or Lesson in B.E.E.P. Participants will also receive a digital “toolbox” of resources.

Participation on MS or HS Staff Development days requires TDA
