## Digital Curriculum Resources Broward County Public Schools

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>4teachers.org</i></p> <p>Student and Teacher Resource</p> 	<p>4Teachers.org helps teachers integrate technology into their classrooms by offering online tools and resources. This site helps teachers locate and create ready-to-use Web lessons, quizzes, rubrics, classroom calendars, and more. There are also tools for student use.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> 2-Adult</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Use Academic Skill Builders and other tools to assist with course assignments and technology infusion.</p> <p><b>Teachers:</b> Use various tools to infuse technology with standards and course curriculum.</p>	<p>Available for all teachers through BEEP Teacher Portal under Teacher Resources and then Instructional Resources.</p>
<p><i>Apple Digital School</i></p> <p>Teacher Resource</p>	<p>ADS provides a collaboration venue for teachers to work with and learn from each other. Self-paced courses to assist with utilizing software titles is available as well as, educational tips and articles, a library of files and links, and other resources to assist with the integration of technology.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> Teachers</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Teachers:</b> Communication, collaboration and sharing of technology enriched teaching and resources between teachers.</p>	<p>Available for all teachers through BEEP Teacher Portal under Teacher Tools.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Atomic Learning</i></p> <p>Teacher, Student &amp; Parent Resource</p>	<p>Atomic Learning provides just-in-time software training through audio/video tutorials that are short and specific as to content and are easy to access 24/7 from the Internet. They range from beginning to advanced tasks and are available for both Macintosh and Windows platforms. Broward County also has tutorials on specific programs such as CAB, ESS, and Refresh. For teachers, there are also Curriculum Materials, Lesson Accelerators and workshops to infuse technology into the curriculum. Access through BEEP: <a href="http://beep.browardschools.com">http://beep.browardschools.com</a> or <a href="http://broward.atomiclearning.com">http://broward.atomiclearning.com</a></p>	<p><b>Grade Level:</b> K -20</p> <p><b>Subjects:</b> Interdisciplinary, technology literacy</p>	<p><b>Students and Parents:</b> Learn software applications and gain technology literacy skills.</p> <p><b>Teachers:</b> Learn software applications and use the Curriculum materials to plan and implement technology-infused lessons.</p> <p>View district videos for Refresh staff development.</p>	<p>District license provides access to all teachers, students, administrators and parents.</p>
<p><i>Bailey's Book House</i></p> <p>Teacher and Student Resource</p> 	<p>Bailey hosts nine fun activities focused on reading and writing. Students increase phonemic awareness by playing with letters and by building words. Each activity is focused on growing their vocabulary and helping them understand adjectives, prepositions, and compound words by creating rhymes, stories, and greeting cards.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> PK-2</p> <p><b>Subjects:</b> Reading and writing</p>	<p><b>Students:</b> Individual instruction for mastery of math skills.</p> <p><b>Teachers:</b> Access through BEEP Teacher Portal for whole and/or small group instruction.</p>	<p>School purchased software for student use.</p> <p>Each teacher has access to <i>Bailey's Book House</i> through the BEEP Teacher Portal within Destination Success.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><b><i>BEEP Teacher Portal Student Portal</i></b></p> <p>Teacher and Student Resource</p>	<p>BEEP is Broward’s access point for educational resources and information. Learning Village provides teachers with a bank of grade level courses, unit plans, lesson plans, activities and resources aligned to the Sunshine State Standards, the National Educational Technology Standards, Information Literacy Standards, and Career and Technical Education Standards.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b><i>Grade Level:</i></b> K -12</p> <p><b><i>Subjects:</i></b> Interdisciplinary, technology literacy</p>	<p><b><i>Students:</i></b> Access to FCAT Explorer, e-textbooks and other resources.</p> <p><b><i>Teachers:</i></b> Access district-approved instructional items and resources and create instructional items.</p>	<p>District license provides access to all teachers, students and parents.</p>
<p><b><i>Choices Education and Career Planning</i></b></p> <p>Teacher, Student &amp; Parent Resource</p>	<p>This web-based resource helps students make informed choices about their education and career, as well as plan and track their educational progress in Florida. It includes assessments, databases, and planning tools for students and resources for teachers and other adults.</p> <p>BEEP Student Portal, Doorway #8 Florida Choices Planner Link under the Career Planning Menu at <a href="http://www.facts.org">http://www.facts.org</a></p>	<p><b><i>Grade Level:</i></b> 6-20</p> <p><b><i>Subjects:</i></b> Guidance, Career Education</p>	<p><b><i>Students and Parents:</i></b> Use the tools and resources to research and select careers and create a plan to achieve career goals.</p> <p><b><i>Teachers:</i></b> Use the tools to help students plan their education and careers.</p>	<p>All teachers, students, and parents can access basic information. Specific user name and password are required to access specific student data.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><b><i>CompassLearning Odyssey</i></b></p> <p>Student and Teacher Resource for student data</p>	<p>CompassLearning Odyssey provides a standards-based curriculum that helps students develop a foundation for literacy and strengthens reading, language arts, math, social studies, science skills and knowledge across content areas. Curriculum is accessed through the web and addresses multiple intelligences and levels of student achievement. Odyssey includes integrated assessment and management tools that offer students immediate feedback and guidance while allowing teachers to assess and monitor student progress in real time.</p> <p><a href="http://www.compasslearning.com/">http://www.compasslearning.com/</a></p>	<p><b><i>Grade Level:</i></b> K- 8</p> <p><b><i>Subjects:</i></b> Interdisciplinary (Reading/LA, Math, Science, Social Studies)</p>	<p><b><i>Students:</i></b> Follow individual learning tracks with interactive activities and assessments with immediate feedback.</p> <p><b><i>Teachers:</i></b> Use the management system to review student data and plan for classroom lesson modification. Teacher may use Odyssey content in whole class or small group instruction.</p>	<p>Students in 102 schools currently use this resource</p>
<p><b><i>Dell Learning Exchange</i></b></p> <p>Teacher Resource</p>	<p>This resource features professional development tools for integrating technology, lesson plans, project-based learning and other curriculum support for teachers.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b><i>Grade Level:</i></b> Teachers</p> <p><b><i>Subjects:</i></b> Interdisciplinary</p>	<p><b><i>Teachers:</i></b> Access for educational news, staff development courses and tools for integrating technology into the curriculum.</p>	<p>Available for all teachers through BEEP Teacher Portal under Teacher Tools.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>FCAT Explorer</i></p> <p>Student and Teacher Resource for student data</p>	<p>FCAT Explorer is a web-based educational program for Florida students that reinforces reading and math skills outlined in the Sunshine State Standards.</p> <p>BEEP Student Portal at <a href="http://beep.browardschools.com">http://beep.browardschools.com</a> or at <a href="http://www.fcatexplorer.com">http://www.fcatexplorer.com</a></p> <p>Click <i>student</i> to access the sign-in page. Enter your last name and first initial as your sign-in name. For the password, enter the first 4 letters of your last name, two digits of your birth month and two digits of your birthday.</p>	<p><b>Grade Level:</b> 3,4,5,6,8,10</p> <p><b>Subjects:</b> Math, Reading, Science</p>	<p><b>Students:</b> Follow individual learning tracks including interactive activities and assessments with immediate feedback to reinforce FCAT skills.</p> <p><b>Teachers:</b> Use the management system to review data and use the data to modify classroom instruction.</p>	<p>Florida Department of Education provides access to all teachers, students, administrators and parents.</p>
<p><i>Google Docs and Spreadsheets</i></p> <p>Teacher and Student Resource</p> 	<p>Google Docs &amp; Spreadsheets is a web-based word processing and spreadsheet program that keeps documents current and lets the people you choose update files from their own computers from anywhere with an Internet connection.</p> <p><a href="https://docs.google.com">https://docs.google.com</a></p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students &amp; Teachers:</b> Create, collaborate and share documents and spreadsheets online.</p>	<p>Internet accessible</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Intellitools Classroom Suite</i></p> <p>Teacher and Student Resource</p>	<p>Intellitools Classroom Suite has universal design for learning features. This software suite contains individual programs and a management system. The programs are designed to boost the achievement of lower-performing students (struggling students, English language learners, and students with special needs.)</p> <p>The software provides access features such as speech output, switch access, touch-screen access, and generation of automatic IntelliKeys' overlays that allow students with physical and learning difficulties to use the software. The individual programs contain ready-to-use interactive activities for teachers and allow teachers to create customized activities for their students.</p> <p>Intellitools is loaded on a server and accessed on student workstations.</p>	<p><b>Grade Level:</b> K-12</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Use Universal Access features for class participation or use individual hands on interactive activities</p> <p><b>Teachers:</b> Use the management system to view reports &amp; manage student use. Use the software to develop class activities.</p>	<p>All Schools have 5 licenses.</p>

<b>Resource</b>	<b>Description</b>	<b>Curriculum Alignment</b>	<b>Curricular Connections</b>	<b>Resource Availability</b>
<p><i>Kurzweil 3000</i></p> <p>Teacher and Student Resource</p>	<p>Kurzweil3000 is software designed to allow individuals needing reading and writing to function more successfully. The software contains tools for use by lower-performing students to promote achievement in reading, writing and study skills. Documents are scanned into the software and read to the students. Tools within the software can adjust the reading speed, look up definitions and synonyms, and provide pronunciation strategies. Study skill tools allow students or teachers to create notes and bookmarks within the text and highlight text in several colors. Notes and highlights may be exported to other documents. Writing tools can be used to create and proofread their work and also include word prediction and the ability to use content specific vocabulary lists.</p>	<p><b>Grade Level:</b> 4-12</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Use the software to develop reading, writing and study skills.</p> <p><b>Teachers:</b> Develop customized lessons, activities and tests for students. Customization includes the ability to adjust access to tools as needed to meet the needs of individual learning plans.</p>	<p>All Schools have 5 licenses.</p> <p>Kurzweil is loaded on a server and accessed at student workstations.</p>
<p><i>Learning Village</i></p> <p>Teacher Resource</p>	<p>The Learning Village is a vault of standards-based teaching plans to assist elementary and secondary teachers in meeting the goals and objectives of their courses, as well as meeting individual student needs.</p>	<p><b>Grade Level:</b> Teachers</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Teachers:</b> Can access courses, unit plans, lesson plans, activities, resources and other curricular resources.</p>	<p>Available for all teachers through BEEP Teacher Portal under Teacher Tools.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Millie's Math House</i></p> <p>Student and Teacher Resource</p> 	<p>In nine activities that feel like play, students build a foundation of math concepts and thinking skills with Millie and friends. Students explore numbers, shapes, sizes, quantities, patterns, sequencing, simple number sentences, graphing, and skip counting.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> PK-2</p> <p><b>Subject:</b> Math</p>	<p><b>Students:</b> Individual instruction for mastery of math skills.</p> <p><b>Teachers:</b> Access through BEEP Teacher Portal for whole and/or small group instruction.</p>	<p>School purchased software for student use.</p> <p>Each teacher has access to <i>Millie's Math House</i> through the Destination Success link found within the Teacher Tools in the BEEP Teacher Portal.</p>
<p><i>MovieMaker 2.1</i></p> 	<p>This software lets you create, edit, and share movies on your Windows platform computer. Movies can then be shared via the Web, e-mail, CD or DVD.</p> <p><a href="http://www.microsoft.com/windowsxp/downloads/updates/moviemaker2.msp">http://www.microsoft.com/windowsxp/downloads/updates/moviemaker2.msp</a></p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students and Teachers:</b> Use for creating digital movies on Windows computers.</p>	<p>Available for download from the Internet.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Nettrekker</i></p> <p><i>Nettrekker DI</i></p> <p>Student and Teacher Resource</p>	<p>Nettrekker is an Internet search tool created for K-12 students, teachers, media specialists, and parents. Search results in Nettrekker are savable and yield safe, relevant, educator selected and reviewed web sites that are aligned to the Sunshine State Standards (SSS). Teachers can also save search results, access current events, access extensive reference tools, and provides professional development links within the Teacher Tools. <i>Nettrekker DI</i> ranks web sites by reading level allowing teachers to recommend web sites to students based on a student's reading level.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> K-12</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Perform searches in a safe environment. Results are categorized by relevance to topic.</p> <p><b>Teachers:</b> Save web links for student use, use the timeline to link subjects, search for lessons and resources by SSS, and direct students to web sites appropriate for their reading level.</p>	<p>School-based Purchase required for Nettrekker DI and student access to both Nettrekker and the DI versions.</p> <p>Each teacher has access to <i>Nettrekker</i> through the Apple Digital School found within the Teacher Tools in the BEEP Teacher Portal.</p>
<p><i>Pearson SuccessMaker</i></p> <p>Student and Teacher Resource for student data</p>	<p>SuccessMaker provides standards based digital curriculum with a management system, embedded assessment, and curriculum resources to provide administrators, teachers, and students with tools to improve academic performance. SuccessMaker provides targeted individualized instruction on using learning content aligned to Sunshine State Standards. SuccessMaker is loaded on a server and accessed through student workstations.</p>	<p><b>Grade Level:</b> K- 8</p> <p><b>Subjects:</b> Interdisciplinary (Reading, Math, ESOL)</p>	<p><b>Students:</b> Students follow individual learning tracks with interactive activities and immediate feedback.</p> <p><b>Teachers:</b> Review student achievement data and use data for classroom lesson modification.</p>	<p>Currently used in 165 Schools</p> <p>School-based Purchase required</p> <p>Note: Make sure the correct version is purchased for the computers on which it will be used.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Picasa</i></p> 	<p>Picasa is a software download from Google for Windows computers that helps you: 1) locate and organize all the photos on your computer, 2) edit and add effects to your photos, and share your photos with others through email, prints, and on the web.</p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students and Teachers:</b> Use for editing and sharing photos on Windows computes.</p>	<p>Available for download from the Internet.</p> <p><a href="http://picasa.google.com">http://picasa.google.com</a></p>
<p><i>Picture Power Pak</i></p> <p>Student and Teacher Resource</p> 	<p><i>Picture Power Pak</i> consists of <i>Picture It and Pix Writer</i>. It is a teacher-authoring tool as well as a students' reading and writing tool.</p> <p>It is useful for emergent readers who need text read back to them for independent reading and writing support. Pictures are paired with words and text is read aloud to them. Teachers can create engaging activities as a tool during classroom instruction to teach concepts in all academic areas.</p>	<p><b>Grade level:</b> PK-5</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Use the software to read text independently through the use of voice output. They can use pre-made word banks presented in a grid format to write sentences.</p> <p><b>Teachers:</b> Create custom reading and writing activities.</p>	<p>All Schools have 5 licenses.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Quia</i></p> <p>Student and Teacher Resource</p>	<p>Quia is an Internet resource that allows instructors to create a web page containing online activities, learning games and assessments built around their own course content and standards. Students are able to access the exercises, assessments, surveys and posted information. Teachers are also able to track student progress. Teachers can also share activities with other Quia users.</p> <p><a href="http://www.quia.com">http://www.quia.com</a></p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Have 24/7 access to teacher-provided instructional resources.</p> <p><b>Teachers:</b> Create online assessments quickly and easily. Results obtained instantly.</p>	<p>DETA Participants (both teachers and administrators) receive a Quia License.</p>
<p><i>Riverdeep Destination Math</i></p> <p>Student and Teacher Resource</p>	<p>This is a web-based curriculum of seven progressive math courses demonstrating how mathematical issues arise from real-life situations. Courses focus on mastering the skills and concepts and applying the learned skills and concepts to solve meaningful problems. Using a carefully sequenced curriculum, designed around performance objectives aligned to Sunshine State Standards, courses support individualized instruction, collaborative learning, and whole class presentation in a very motivating environment.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> K-12</p> <p><b>Subjects:</b> Math</p>	<p><b>Students:</b> Individual instruction for mastery of math skills.</p> <p><b>Teachers:</b> Access through BEEP portal for whole and/or small group instruction.</p>	<p>Students in 54 schools use this resource.</p> <p>Each teacher has access to <i>Destination Math</i> through the Destination Success link found within the Teacher Tools in the BEEP Teacher Portal.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><b><i>Riverdeep Destination Reading</i></b></p> <p>Student and Teacher Resource</p>	<p>Destination Reading is a research-based program balancing phonics instruction with reading-for-meaning exercises and offering students a blend of direct skills training and authentic reading experience. All the lessons and activities are student-adaptive, making it easy for teachers to respond to the individual needs of every child within a diverse classroom. A wide assortment of age-appropriate fiction and non-fiction text styles are available.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b><i>Grade Level:</i></b> K-8</p> <p><b><i>Subject:</i></b> Reading</p>	<p><b><i>Students:</i></b> Individual instruction for mastery of reading skills.</p> <p><b><i>Teachers:</i></b> Access through BEEP portal for whole group instruction.</p>	<p>Used by students in 54 schools, including Reading First</p> <p>Each teacher has access to <i>Destination Reading</i> through the Destination Success link within the Teacher Tools in the BEEP Teacher Portal.</p>
<p><b><i>Sammy's Science House</i></b></p> <p>Student and Teacher Resource</p> 	<p>Sammy helps young scientists build their understanding of biology and time concepts through seven engaging activities. Students learn to observe, analyze, classify, sort, construct, sequence, and manipulate variables as they study weather, habitats, adaptation, recycling, and attributes of living and nonliving things.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b><i>Grade Level:</i></b> PK-2</p> <p><b><i>Subject:</i></b> Science</p>	<p><b><i>Students:</i></b> Individual instruction for mastery of math skills.</p> <p><b><i>Teachers:</i></b> Access through BEEP Teacher Portal for whole and/or small group instruction.</p>	<p>School purchased software for student use.</p> <p>Each teacher has access to <i>Sammy's Science House</i> through the Destination Success link found within the Teacher Tools in the BEEP Teacher Portal.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Simon Sounds It Out</i></p> <p>Student and Teacher Resource</p> 	<p>Simon Sounds It Out is the phonics intervention program for students of all ages. Simon Sounds It Out is appropriate for any person wishing to learn to read through phonological awareness exercises and comprehension activities. Simon S.I.O. includes 66 levels of sounds arranged by word families. Simon SIO has built in accessibility options. Keyboard shortcuts or single switch scanning can be used to run all activities. The program is suitable for beginning or struggling readers of any age. Simon is appropriate for all users, including older students.</p>	<p><b>Grade level:</b> K-12</p> <p><b>Subject:</b> Reading</p>	<p><b>Students:</b> Use preprogrammed activities in the program to build phonological awareness skills for reading.</p> <p><b>Teachers:</b> Assign the level where the student starts.</p>	<p>All Schools have one set of Level 1 and level 2</p>
<p><i>Springboard</i></p> <p>Student and Teacher Resource for student data</p>	<p>Springboard, a program from the College Board, supports Advanced Placement preparation and college readiness. Springboard gives teachers the pedagogical strategies to incorporate critical thinking, reasoning, and writing skills through ready to use units. Students take online diagnostic assessments to determine mastery of standards for college success.</p> <p><a href="https://springboard.collegeboard.com">https://springboard.collegeboard.com</a></p>	<p><b>Grade Level:</b> 6-12</p> <p><b>Subjects:</b> Mathematics, Reading, and Language Arts</p>	<p><b>Students:</b> Complete online diagnostic assessments and text-based, interactive, student-centered units of instruction.</p> <p><b>Teachers:</b> Use interactive student-centered units and track student mastery.</p>	<p>Selected schools.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Tech4Learning</i></p> <p>Student and Teacher Resource</p> 	<p>Technology integration is the goal of this site and has tools to help do it. Citation Maker is one of those tools. It will help you and/or your students create a citation formatted in either APA or MLA style. Students will still need to completely document the information, but the Citation Maker will format it for them. This reference list can then be copied and pasted into the student's digital work. Other integration tools are also available for both students and teachers.</p> <p><a href="http://www.tech4learning.com">http://www.tech4learning.com</a></p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Able to easily choose the type of reference resource, type in the information and get correct formatting for use in bibliographies.</p> <p><b>Teachers:</b> Use to help students understand the formatting of reference materials</p>	<p>Available for all on the Internet web site.</p>
<p><i>Thinkfinity (formerly Marcopolo)</i></p> <p>Teacher Resource</p> 	<p>The goal of the Thinkfinity Content Partners is to provide the best Internet-based educational content, created by world-renowned organizations that are discipline experts in their fields. Thinkfinity content covers arts integration, economics, geography, the humanities, mathematics, reading, language arts and science. The high-quality, standards-based K-12 content includes lesson plans, reviewed Web sites, student materials, interactive activities, assessments and more.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> PK-Adult Resources for teachers</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Teachers:</b> Access to a vast array of teaching resources, digital manipulatives, and activities for technology integration.</p>	<p>Available for all teachers through BEEP Teacher Portal under Teaching Resources and then Instructional Resources</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<p><i>Trudy's Time and Place House</i></p> <p>Student and Teacher Resource</p> 	<p>Students will expand their knowledge of the world around them through seven exciting activities. Students practice creating and reading maps, using cardinal and relative direction to navigate. They also increase their understanding of time by reading digital and analog clocks and calendars. Students can explore a virtual neighborhood with Trudy to learn about different places and helpers in a community, and visit houses representing four countries to learn about various customs and cultures around the world.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> PK-2</p> <p><b>Subject:</b> Social Studies</p>	<p><b>Students:</b> Individual instruction for mastery of math skills.</p> <p><b>Teachers:</b> Access through BEEP Teacher Portal for whole and/or small group instruction.</p>	<p>School purchased software.</p> <p>Each teacher has access to <i>Trudy's Time and Place House</i> through the Destination Success link found within the Teacher Tools in the BEEP Teacher Portal.</p>
<p><i>Turnitin</i></p> <p>Student and Teacher Resource</p>	<p>Turnitin is a web-based tool for anti-plagiarism. Submitted papers are checked against databases identifying papers containing unoriginal material. A report is generated for each submission. Any text in the paper that is found to be unoriginal appears underlined, color-coded, and linked to its original source.</p> <p><a href="http://turnitin.com">http://turnitin.com</a></p>	<p><b>Grade Level:</b> 9-12</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Submit papers online to check for plagiarism and correct citations.</p> <p><b>Teachers:</b> Papers are reviewed for references to published works.</p>	<p>District-paid licensing for selected high schools.</p> <p>Other schools may purchase from school funds.</p>

Resource	Description	Curriculum Alignment	Curricular Connections	Resource Availability
<i>United Streaming</i>	<p>A bank of 40,000 video clips and 20,000 still images that are correlated to the Sunshine State Standards. It includes a variety of tools for teachers including a quiz builder, daily events calendar, and access to speeches, articles, lesson plans and other teacher features.</p> <p><a href="http://beep.browardschools.com">http://beep.browardschools.com</a></p>	<p><b>Grade Level:</b> K-20</p> <p><b>Subjects:</b> Interdisciplinary</p>	<p><b>Students:</b> Students can access the bank to find appropriate videos and images to use in the creation of multimedia presentations.</p> <p><b>Teachers:</b> Teachers can access the bank for images/videos for instruction.</p>	<p>District license – available through the BEEP Teacher Portal</p>

<i>Windows Media Player</i>	Application for playing video and audio.	Availability to all.

## Standard Utility Resources Broward County Public Schools

Resource	Description	School Sites Using the Resource
DeepFreeze	Security software that protects and preserves computer settings. Each restart eradicates any changes made to computer settings.	Limited District license provides protection for all computers.
Foolproof	Security software that allows different users to access different items within the computer, directs file saving, and prevents changes to the desktop.	District license provides protection for all computers running Mac OS9.
Ghost	Provides back up and recovery for computer applications and files by making a copy of your hard drive.	District license for all computers.
McAfee Virus Protection	Anti-Virus Software for Windows computers.	District license provides protection for all Windows computers
Virex	Anti-Virus Software for Macintosh computers.	District license provides protection for all Macintosh computers.

## Digital Curriculum Resources Definitions

<b>Assessment Software</b>	Assessment software is designed to track mastery of skills or content.
<b>Assistive/Augmentative Software</b>	Assistive software is designed to allow individuals with disabilities to function more successfully.
<b>Curriculum Software</b>	Curriculum software is sequenced content for use by students and teachers. Curriculum software is also called courseware. There are many types of curriculum software. Curriculum software with individual student learning tracks and management tools is also called Integrated Learning Systems (ILS). Management tools or systems allow teachers to monitor student progress and make changes in the content available to students
<b>Digital Resources for Textbooks</b>	Basal textbooks are now available on CD or on the web with interactive activities, assessments, simulations and video for student use. Digital resources for teachers include management systems for online content, test generators, lesson planners, and ready to use presentations.
<b>Online Databases</b>	Reference material such as encyclopedias, magazines, and atlases are included in online databases.
<b>Plugins</b>	Plugin software adds functionality to another software. Many plugins allow web browsers to display graphics and audio.
<b>Productivity Software</b>	Productivity tools/software is used to create a product such as a document, spreadsheet, or database. Included in this group is presentation (slide show) software and concept mapping software.
<b>Utility Software</b>	Utility software is used to maintain a computer and its data files.
