

**2012-2013
Physical Education Courses**

For up-to-date Bright Futures and State University System course eligibility information, go to:
www.floridastudentfinancialaid.org/SSFAD/bf/acadrequire.htm

For up-to-date NCAA Clearinghouse course eligibility information, go to:
https://web1.ncaa.org/eligibilitycenter/student/index_student.html

The first seven digits of any course number listed below are determined by the Florida Department of Education. The 8th digit of any course number listed below is issued only by BCPS to meet the scheduling needs of our district.

Course Title: Personal Fitness (Required) (R)
Course Number: 15013000
Credit: .50
Grade Level: 9-12

Major Concepts/Content

Personal Fitness provides students with opportunities to develop an individual optimal level of physical fitness, acquire knowledge of physical fitness concepts, and acquire knowledge of the significance of lifestyle on one's health and fitness. The content includes knowledge of the importance of physical fitness, assessment of the health related components of fitness, health problems associated with inadequate fitness levels, application of biomechanical and physiological principles to improve and maintain fitness, safety practices and psychological values of fitness including stress management, and sound nutritional practices and consumer issues related to physical fitness.

PREREQUISITE: None

Special Note: *This course required for graduation when paired with another physical education course if this option is chosen. Also, if this option is chosen, the student must also take Life Management Skills.*

Course Title: HOPE -Physical Education Variation
Course Number: 15063200
Credit: 1.0
Grade Level: 9-12

Major Concepts/Content

The purpose of this course is to develop and enhance healthy behaviors that influence lifestyle choices and student health and fitness. Students will combine the learning of principles and background information in a classroom setting with physical application of the knowledge. A majority of class time should be spent in physical activity. In addition to the physical education content represented in the benchmarks below, specific health education topics within this course should include, but are not limited to:

Mental/Social Health

Physical Activity

Components of Physical Fitness

Nutrition and Wellness Planning

Diseases and Disorders

Health Advocacy PREREQUISITE: None

Special Note: *This course required for graduation if this HOPE option is chosen. Any student whose parents make a written request to the school principal shall be exempt from the HIV/AIDS and human sexuality instructional activities. There is a Broward District requirement that if this course is chosen, the student must also complete Life Management Skills for graduation.*

Course Title: AICE Physical Education

Course Number: 3026020

Credit: 1.0

Grade Level: 9-12

Will meet graduation requirement for Personal Fitness (0.5) and for physical education (0.5)

For complete AICE-approved syllabus for this course:

<http://www.cie.org.uk/qualifications/academic/uppersec/alevel/subject?assdef id=795>

Major Concepts/Content

This course provided students with an opportunity to study both the practical and theoretical aspects of Physical Education. Students learn about anatomy and physiology, movement skills and contemporary studies in sport. They are also encouraged to try out a range of physical activities, including team and individual sports, games, and outdoor activities; students then use the theoretical knowledge they have gained to analyze the different factors influencing performance. The course also encourages students to understand and explain global trends in Physical Education and Sport. Special Note. The Advanced International Certificate of Education (AICE) is an international pre-university curriculum and examination system administered by the University of Cambridge International Examinations (CIE). The AICE courses include assessments and an internationally scored end-of-course assessment.

To be used at Ft. Lauderdale High School only.

Course Title: Dance Repertory 1 (R)

Course Number: 03004000

Credit: 1.00

Grade Level: 9-12

Major Concepts/Content

Dance Repertory I provides students in dance with opportunities to develop skills in the areas of modern, jazz, and tap dance techniques. The content includes application of fundamental principles of modern, jazz, and tap technique, including barre, center floor, axial center, locomotor and physiologically sound movement progressions. Acquisition of technique includes isolation and movement to syncopated rhythms, time steps, breaks and soft shoe. The course will include the introduction of the history and terminology of these dance idioms.

Course Title: **Marching Band Physical Education Waiver
(for Personal Fitness option only)**

Course Number: **15004400**

Credit: **.00**

Grade Level: **9-12**

Major Concepts/Content

The purpose of this course number is to indicate that completion of one semester with a grade of “C” or better in a marching band class or in a physical activity class that requires participation in marching band activities as an extracurricular activity has been completed and satisfies a one-half credit requirement in physical education. This one-half credit may not be used to satisfy the Personal Fitness requirement or the requirement for adaptive physical education under an individual educational plan (IEP) or 504 Plan.

Course Title: ROTC Physical Education Waiver Completion of Year 1
Course Number: 15004500
Credit: .00
Grade Level: 9-12
Major Concepts/Content

The purpose of this course number is to indicate that completion of an ROTC class with a significant component of drills satisfies a one-half credit requirement in physical education. This one-half credit may not be used to satisfy the Personal Fitness requirement or the requirement for adaptive physical education under an individual educational plan (IEP) or 504 Plan.

*** For incoming freshman, 2007-'08, the following ROTC waiver applies (same course number):

Personal Fitness/PE Activity Elective Option--Completion of two years in a Reserve Officer Training Corps (R.O.T.C.) class satisfies 1 credit of the PE activity electives. However, the student must still take the Personal Fitness class (.5 credit) to satisfy the PE graduation requirement in those districts choosing this option. Students using the R.O.T.C. waiver and the Personal Fitness class will have 1.5 credits in PE.

HOPE Option--Completion of two years in a Reserve Officer Training Corps (R.O.T.C.) class satisfies the full 1 credit PE requirement and the full 1 credit Performing Arts requirement.

Course Title: Dance Aesthetics 1
Course Number: 0300470
Credit: 1.00
Grade Level: 9-12

Major Concepts/Content

The purpose of Dance Aesthetics I is to provide students with the theory of dance in several major forms. Students should acquire the knowledge and skills to value the role of legitimate dance in society, different from the role of commercialized dance in society. The content includes the study of dance styles and forms, the uniqueness of personality as it pertains to the dancer/choreographer relationship, the study of physical and emotional behavior with respect to dance, and the understanding of the creative process of structure and form in composition.

Course Title: Dance Aesthetics 2
Course Number: 0300610
Credit: 1.00
Grade Level: 9-12

Major Concepts/Content

The purpose of Dance Aesthetics II is to provide students with in-depth study of dance theory including choreography, composition and dance repertory. The students should be able to develop several major pieces of choreography for concert format presentation. The course content will include experimental classes which enhance kinesthetic and movement awareness of self and others through cultural perspective. Students will acquire knowledge regarding the critical analysis of dance, role of professional and educational dance in our society, be involved in extensive research and reading in contemporary philosophical literature, study present-day concepts of dance and their relationship to other art forms and cultures, and gain knowledge of analysis of critical methods used in writing about dance.

Course Title: Dance Kinesiology 1
Course Number: 0300480
Credit: 1.00
Grade Level: 9-12

Major Concepts/Content

Dance Kinesiology I provides the student with the study of the physical systems that contribute to the science of movement with reference to dance. Students should be able to research dance technical development using knowledge of exercise physiology, kinesiology movement taxonomy, anatomy and principals of athletic training. The course content will include identification of human movement potential, knowledge of human neuromuscular development, the anatomical basis of dance movement and correctives for dancers.

Course Title: Dance Kinesiology 2
Course Number: 0300600
Credit: 1.00
Grade Level: 9-12

Major Concepts/Content

The purpose of Dance Kinesiology II is to study the in-depth principles of human movement with relation to dance. Students will study factors considering acceleration, retarding levels of performance of work under various environmental conditions, the kinematic effect and kinetic principles underlying dance movement, and the influence of aesthetics on human movement. The course content will be the concepts of physical performance, studies of kinetics, and the influence of aesthetics on dance movement, the influence of stress factors on performance, analysis of mechanics of dancers and dance movement, and in-depth analysis of individually chosen student projects.

PREREQUISITE: *Dance Kinesiology I*
