**Course Title: Fashion Design Specialist**

**Course Number: 8506430**

**Credit: 1.00**

**Grade Level: 9-12**

**Major Concepts/Content**

This course is the fourth course in the Fashion Design Services program. It is designed to further develop competencies in the area of fashion design services. This course focuses on five specialty areas of fashion design services: window display, fashion design assistant, tailor's assistant, personal shopper, and stylist. Students will select one of those specialty areas and will be expected to follow the performance standards for that area. Also included is an opportunity for job shadowing and students will be expected to finalize and submit a portfolio.

**PRE REQUISITE: Pattern Design Techniques**

**SPECIAL NOTE: Must be offered at laboratory equipped with power sewing machines only.**

**Course Title: Interior Design Specialist**  
**Course Number: 8506560**  
**Credit: 1.00**  
**Grade Level: 9-12**  
**Major Concepts/Content**

This course is the fourth course in the Interior Design Services program. It is designed to further develop competencies in the area of interior design services. This course focuses on four specialty areas of interior design services: kitchen and bath planning; floor, wall, and window treatments; furniture, lighting and accessories; and audiovisual and security systems. Students will select on one of those specialty areas and will be expected to follow the performance standards for that area. Students will develop a design project and finalize and submit a portfolio.

Family, Career and Community Leaders of America, is the appropriate career and technical student organization (CTSO) for providing leadership training and reinforcing specific career and technical skills. Career and Technical Student Organizations, when provided, shall be an integral part of the instructional program, and the activities of such organizations are defined as part of the curriculum in accordance with Rule 6A-6.065, FAC.
