**Course Title:** Family, Home and Consumer Technology

**Course Number:** 85003650

**Credit:** 1.00

**Grade Level:** 9-12

**Major Concepts/Content**

The Family, Home, and Consumer Technology course is designed to prepare students for the ever-changing future. Major emphasis should be placed on the latest technology as it relates to the home and the global role of the family. Leadership and organizational skills are a vital part of this program. This course is designed for one year with a possible exit at the semester and may be taught in a non-sequential order. Part I includes future trends in food and consumer technology; global food issues; impact of food technology; trends in consumer and personal finance; consumer decisions; cost of technology equipment; careers; and the impact consumer technology on the family unit. Part II includes future trends; equipment technology; current innovative resources; apparel and housing alternatives; constraints; environmental and ecological issues; and the impact on the family. Family, Career and Community Leaders of America, is the appropriate career and technical student organization (CTSO) for providing leadership training and reinforcing specific career and technical skills.
