

Grade 5 Theme 2 Story 4
“Woodsong”

LA.A.2.2.2 Author’s Purpose pg. 207

1. What was the author’s purpose in telling the story of the hat?
 - A. To support his opinion of Storm’s cleverness. *
 - B. To inform readers that Storm likes to dig in the snow.
(incorrect interpretation of the author’s purpose)
 - C. To show readers how easy it is to lose things in the snow.
(inappropriate inference about the author’s perspective)
 - D. To teach readers that working with dogs can bring many adventures.
(detail that does not represent author’s purpose)

LA.A.1.2.3 Vocabulary pg. 208

2. Read this sentence from the story.

I went back to the sled, reached down to disengage the hook and when I did, the dogs exploded forward.

Which word(s) has almost the SAME meaning as exploded?

- A. fell
(incorrect meaning of word)
- B. blew up
(incorrect meaning of word)
- C. charged *
- D. stepped
(plausible but incorrect based on the text)

Grade 5 Theme 2 Story 4
“Woodsong”

LA.A.2.2.7 Compare and Contrast pg. 211

3. How was Storm’s reaction different from the other dogs when the stove was brought out?
- A. The other dogs growled and snorted at the stove while Storm was silent.
(incorrect comparison)
 - B. The other dogs watched the sled being loaded while Storm looked away.
(plausible but incorrect based on the text)
 - C. Storm was screaming to run while the other dogs sat and stared at the stove.
(incorrect comparison)
 - D. Storm watched the stove being loaded onto the sled while the other dogs faced forward. *

LA.E.1.2.2 Plot Development and Conflict pg. 211

4. When does the author start letting you know that Storm has identified the stove as an enemy?
- A. When Storm growls at the stove. *
 - B. When Storm does a perfect double take.
(plausible but incorrect response based on the text)
 - C. When Storm watches them load the sled.
(inference not appropriate to text)
 - D. When Storm turns and faces the sled.
(inference not appropriate to text)

Grade 5 Theme 2 Story 4
“Woodsong”
