

## **NETTREKKER D.I. (DIFFERENTIATED INSTRUCTION) ADDED TO BEEP**

### **WHAT ELSE IS NEW FOR 2008-2009?**

- 🍏 Nettekker d.i. (differentiated instruction) is a safe & secure educational Internet search engine that connects to over 180,000 educator approved web sites organized by readability level and aligned to the Sunshine State Standards. The resource is available on a 24/7 basis for both student and teacher use through the BEEP Portal. Nettekker d.i. has the following features:

- Read aloud support for students

- Customized content for ELL & ESOL students

- Dictionary / Translation 'hot' links

### **WHAT YOU NEED TO DO?**

- 🍏 Communicate to parents, teachers and students about the availability of the resource.
- 🍏 Have your teachers trained to use Nettekker d.i. as part of the instructional process.
- 🍏 Access the resource through the BEEP Teacher / Student Portal.

### **WHAT WILL HAPPEN IF YOU DON'T?**

- 🍏 A valuable instructional resource that addresses the needs of all students will be unavailable to your teacher and students.

### **WHO NEEDS TO KNOW?**

- 🍏 Teachers
- 🍏 Parents
- 🍏 Students
- 🍏 Administrators

### **HOW WILL YOU COMMUNICATE FOLLOW-UP?**

- 🍏 Information on training options will be shared with principals via principals meetings and electronic communications.
