

# **SPECIFICATIONS FOR DIGITAL CLASSROOMS**

## **WHAT ELSE IS NEW FOR 2008-2009?**

- 🍏 Schools are requesting information on digital classrooms. To assist schools with decision-making and to insure technology is installed to district standards, the technology standards web site now has a link to digital classroom information. The web site includes a description of technologies that are part of digital classrooms, installation required and factors to consider in choosing digital classroom models. Directions for attaining assistance will also be on the web site.

## **WHAT YOU NEED TO DO?**

- 🍏 Check the technology standards web site before ordering.  
<http://www.broward.k12.fl.us/techstandards>

## **WHAT WILL HAPPEN IF YOU DON'T?**

- 🍏 Installation could be incorrect and equipment may be ordered that may not integrate with the rest of the Digital Classroom. Inconsistency and non-standardization of classrooms may occur.

## **WHO NEEDS TO KNOW?**

- 🍏 Principal
- 🍏 Assistant Principal
- 🍏 Media Specialist
- 🍏 Technology Liaison Contacts
- 🍏 District Administrators
- 🍏 Others as needed

## **HOW WILL YOU COMMUNICATE FOLLOW-UP?**

- 🍏 This information will be shared and the web site demonstrated at TLC meetings and principal meetings. E-mail follow-up will also be addressed to Principals.
- 🍏 Support staff will also be available to assist schools in selecting and ordering.
