

## SPANISH GRADE 6

### WHAT ELSE IS NEW FOR 2008-2009?

- 6<sup>th</sup> grade Spanish Curriculum – Provide students the necessary tools to be able to achieve better academically in the more rigorous Spanish I course for high school credit.
- Students will take Spanish in 6<sup>th</sup> grade the entire school year. This course will take the place of the wheel. The curriculum is aligned to the FSSS, is technology rich, and will prepare students for high school Spanish I.
- Research indicates that students who learn a second language will have better academic achievement in their own language.
- Implementation is voluntary.

### WHAT YOU NEED TO DO?

- Contact the World Languages Curriculum Specialist to get more information.
- Offer the course to 6<sup>th</sup> grade students.

### WHAT WILL HAPPEN IF YOU DON'T?

- Students will miss the opportunity to receive instruction that will get them ready for the Spanish I course for high school credit.

### WHO NEEDS TO KNOW?

- Administrators

### HOW WILL YOU COMMUNICATE FOLLOW-UP?

- The Curriculum Specialist will communicate via Cab and school visits before course selection forms are printed.
