

ELEMENTARY MATHEMATICS

WHAT ELSE IS NEW FOR 2009-2010?

- 🍏 Next Generations Sunshine State Standards (NGSSS) for grades K–5
 - Grades K -2 must fully implement the new standards during school year 2009-10
 - Grades 3–5 must teach both the old and the new standards until the 2010–2011 school year (FCAT Math Test items will assess the old standards until 2010-2011)
- 🍏 Grades K–5 Instructional Focus Calendars (IFCs) & K-2 pacing charts reflecting the NGSSS
 - Utilizes Calendar Math & Daily Questions for ongoing spiral instruction of all standards
- 🍏 Mathematics Textbook Adoption process begins during school year 2009-10.
 - Summer 2009 Prescreening Adoption Committee – reviews NGSSS alignment
 - Fall 2009 Adoption Committee – examines submitted textbook series and recommends two series for school level teacher vote
- 🍏 Fall 2009 Elementary Mathematics Staff Development Calendar

WHAT YOU NEED TO DO?

- 🍏 Implement NGSSS in grades K-2
- 🍏 Teach both the old and new standards in grades 3–5
- 🍏 Utilize the new IFCs and pacing charts
- 🍏 Expand technology in the classroom (National Library of Math Manipulatives, Harcourt Math online, etc)
- 🍏 Access the Elementary Math CAB site for important documents and latest information
- 🍏 Encourage teachers to attend mathematics staff development

WHAT WILL HAPPEN IF YOU DON'T?

- 🍏 Student achievement will be impacted

WHO NEEDS TO KNOW?

- 🍏 School Administrators, Mathematics Coaches, Elementary Math Contacts, Teachers

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- 🍏 Faculty meetings
- 🍏 Grade level meetings
