

## SECONDARY MATHEMATICS

### WHAT'S NEW FOR 2009-2010?

- 🍏 Implementation of new mathematics Item Specifications
- 🍏 Scheduling Course Flow Charts for grades 6, 7, and 8
- 🍏 Scheduling Course Flowcharts and Matrix for High School Mathematics.
- 🍏 Promethean and GeoGebra Workshops for teachers of Middle Grades, Algebra 1, Geometry, Algebra 2
- 🍏 New Instructional Focus Calendars for: MJ1, MJ1 adv, GEM 6, Intensive 6, MJ2, MJ2 adv., Intensive 7, MJ3, MJ3 adv, Intensive 8, Pre-Algebra, Algebra 1A, Algebra 1B, Algebra 1, Algebra 1 Honors, Intensive 10, Informal Geometry, Geometry, Geometry Honors, and Liberal Arts
- 🍏 E – Item Specifications for old benchmarks including sample items.
- 🍏 Improved, revised and aligned ‘mini’ BATS

### WHAT YOU NEED TO DO?

- 🍏 Have mathematics department head disseminate and train teachers on how to use new Instructional Focus Calendars
- 🍏 Encourage and support teachers to attend new District Workshops
- 🍏 Have mathematics department head disseminate District information to all mathematics teachers regularly throughout the school year

### WHAT WILL HAPPEN IF YOU DON'T?

- 🍏 Gaps in curriculum alignment and assessment that will impact student achievement

### WHO NEEDS TO KNOW?

- 🍏 All administrators, guidance, mathematics department head, mathematics coaches and teachers

### HOW WILL YOU COMMUNICATE FOLLOW-UP?

- 🍏 School-based leadership meetings
- 🍏 Department Chair meetings
- 🍏 Cab Conference
