

SECONDARY MATHEMATICS

WHAT ELSE IS NEW FOR 2007-2008?

- Middle School Recommended Mathematics Plan has been revised.
- High School Required** Mathematics Plan for yearlong rotator and 4x4 block schedules changed from recommended to required.
- Struggling K-8 Mathematics Chart 2007-2008 has been revised to include grades K-8.

WHAT YOU NEED TO DO?

- Access the documents referenced above on the BEEP website.
- Any deviation from the High School Required**Mathematics Plan must be supported by data and approved by the Area Office.

WHAT WILL HAPPEN IF YOU DON'T?

- These new initiatives will impact student achievement and teacher performance.

WHO NEEDS TO KNOW?

- Administrative Staff, Mathematics Teachers, Guidance, ESE, Data Processors

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- Mathematics and GEM bulletin boards. Communication by memo, email, and department chair meetings as necessary.
