

## **LIBRARY MEDIA WEB-BASED CIRCULATION**

### **WHAT ELSE IS NEW FOR 2007-2008?**

- The Library Corporation (Provider of the school library automation system) is transitioning from a server-based to a web-based application.
- Implementation will take place in stages to ensure functionality with the District's network allowing time to resolve unforeseen technical issues.
- Phase-in to the new Web Circ component will begin with eight schools (2 elementary, 2 middle, 2 high, and 2 centers).
- Schools will begin the transition in spring 2008.

### **WHAT YOU NEED TO DO?**

- Provide release time for participating media specialists and clerks to attend training on the new system.

### **WHAT WILL HAPPEN IF YOU DON'T?**

- Transition to the newer web-based technology will be delayed.

### **WHO NEEDS TO KNOW?**

- Principals, media specialists, library media clerks and/or paraprofessionals

### **HOW WILL YOU COMMUNICATE FOLLOW-UP?**

- Via email to select principals and media specialists on an as needed basis
