

Junior Achievement World at the Huizenga Center for Free Enterprise Education

WHAT'S NEW FOR 2008-2009?

- 🍏 Junior Achievement (JA) Biztown (5th Grade) and Junior Achievement (JA) Finance Park (8th Grade) will be opening in 2009. The School Board approved active participation in this project on January 20, 2004. There is a need for schools to volunteer to serve in a pilot program during the spring of 2009.

WHAT YOU NEED TO DO?

- 🍏 Contact Dr. Mark Quintana, K-12 Curriculum Specialist for more information and/or to state your school's intent to participate in the initial pilot.
- 🍏 Stay tuned for information from the Core Curriculum Department as to direction for school preparation, curriculum implementation and field trip.

WHAT WILL HAPPEN IF YOU DON'T?

- 🍏 If there is not enough voluntary participation, the district will need to select individual school to participation for the pilot program.

WHO NEEDS TO KNOW?

- 🍏 Principals
- 🍏 Assistant Principals
- 🍏 Affected classroom teachers (All 5th and 8th grade teachers of volunteering schools)

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- 🍏 Dr. Mark Quintana is the lead contact for JA.
