

# K-12 COMPREHENSIVE READING PLAN UPDATES

## WHAT'S NEW FOR 2007-2008?

- A **Literacy Leadership Team** (LLT), separate from a School Leadership Team, **must** be established at each school.
- All schools, **6<sup>th</sup> thru 12<sup>th</sup>** will be placing their progress monitoring data on the Florida Progress Monitoring Reporting Network (PMRN).
- Higher Level 2 (H.S) students may be served in content area classrooms where the teachers have successfully completed the CAR-PD Bundle or be working towards reading endorsement, as per DOE. **See attachment** for changes to the 11<sup>th</sup>/12<sup>th</sup> Grade Placement criteria.
- Higher Level 2s must have all of the following qualifications: 1) NRT at or above 50%; 2) SSS at or above 290; 3) Oral reading fluency at or above 140 cwpm.
- Placement in Intensive Reading Coursework consists of specific criteria. Students cannot be placed in coursework solely based on FCAT scores.
- Elementary section of K-12 Reading Plan is requiring a **separate** Assessment/Curriculum Decision Tree for all **K-3 students**.
- All level 1 and 2 students in third through twelfth grade will be monitored using an Oral Reading Fluency probe three times per year – Sept., Jan. and April. Schools not on the PMRN network must enter this data on Virtual Counselor (pre, mid and post).

## WHAT YOU NEED TO DO?

- The principal and the Literacy Team will analyze student's data.
- The principal will identify the content area teachers who will complete the CAR-PD Bundle.
- The principal will determine the school's data input designee.

## WHAT WILL HAPPEN IF YOU DON'T?

- Not in compliance with the state initiative K-12 Reading Comprehensive Framework. Monies may be with held from FEFP.

## WHO NEEDS TO KNOW?

- Entire district.

## HOW WILL YOU COMMUNICATE FOLLOW-UP?

- All stakeholders will be informed with periodical updates.
- Principals will disseminate the K-12 Guidelines to faculty and staff.
