

MULTICULTURAL & ESOL PROGRAM SERVICES EDUCATION

WHAT'S NEW FOR 2007-2008?

- Continuing and expanding ongoing programming opportunities for Multicultural Video Conferencing and Distance Learning related to Florida Statute 1003.42, to include Hispanic Contributions and Women's Contributions to the United States.
- Provide curriculum support through BEEP, CAB conferences, and online curriculum resources.
- Facilitate communication with Multicultural Contacts via video conferencing.

WHAT YOU NEED TO DO?

- Provide training for personnel in the use of equipment and procedures to facilitate video conferencing and distance learning.
- Provide on-site opportunities for video conferencing and distance learning programming.
- Designate a school-based Multicultural Contact who will disseminate information and resources related to Multicultural Education and video conferencing programming.

WHAT WILL HAPPEN IF YOU DON'T?

- Opportunities for student/teacher participation will be limited.
- Opportunities for instructional personnel to be in compliance with Florida Statute 1003.42 will be limited.

WHO NEEDS TO KNOW?

- Staff involved in overseeing curriculum and implementation at the school site including Multicultural Contact, Reading Coaches, Curriculum Specialists, Magnet Coordinators, Department Chairs, Grade Level Chairs and school-based administrators.

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- The Multicultural Department will keep school-based personnel informed through CAB Conferences, video conferencing and electronic communication.
