

## **BATTELLE DEVELOPMENTAL INVENTORY (BDI-II)**

### **WHAT'S NEW FOR 2007-2008?**

- The area preschool assessment teams will administer the BDI-II as the students enter preschool ESE for the state's baseline data.
- All full time preschool ESE students that were administered the BDI-II upon entering PreK ESE will be given the BDI-II prior to exiting the program by the schools service providers if they were in preschool ESE program for at least six (6) months.
- Quarterly the district must send the BDI-II results to the state.

### **WHAT YOU NEED TO DO?**

- Send staff to BDI-II training that will be held throughout the 2007-2008 school year.
- Watch for updates regarding the implementation of the BDI-II role out.
- Send the BDI-II protocol to the District PreK ESE office within a week of the child being evaluated to expedite the report that must be sent to the state quietly.

### **WHAT WILL HAPPEN IF YOU DON'T?**

- District will be sited by the federal and state for not meeting the specific requirements related to the Individual with Disabilities Education Act (IDEA 2004) and the Federal Department of Education Office of Special Education (OSEP) State Performance Standards.
- District will lose federal revenue.

### **WHO NEEDS TO KNOW?**

- All staff serving preschool students including preschool teachers and related service providers.

### **HOW WILL YOU COMMUNICATE FOLLOW-UP?**

- The district will coordinate implementation procedures and keep principals informed.
- Dissemination of the BDI-II will be forthcoming.
