

ALL: I-SAFE DISTRICT INTERNET SAFETY PROGRAM

WHAT'S NEW FOR 2010-2011?

- 🍏 The Department of Learning Resources & Instructional Materials in collaboration with the Office of Prevention Programs will provide training to a library media specialist or an instructional designee who will in turn implement a school-wide training on I-SAFE, an internet safety program.
- 🍏 Training will occur during the Fall of 2010.

WHAT YOU NEED TO DO?

- 🍏 Release your library media specialist or instructional designee to participate in the District training for the I-SAFE Internet safety program.
- 🍏 Provide staff development opportunities for media specialist or instructional designee to train staff and students on internet safety.

WHAT WILL HAPPEN IF YOU DON'T?

- 🍏 Uninformed library media specialists, staff, and students may be at-risk regarding internet safety, which may negatively impact student achievement and teacher productivity.

WHO NEEDS TO KNOW?

- 🍏 Media specialist or instructional designee

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- 🍏 Media specialist or instructional designee will be contacted via email regarding training and implementation of the I-SAFE Internet Safety Initiative.
