WHAT'S NEW FOR 2010-2011?

- Medicaid billing is required for Title I schools.

WHAT YOU NEED TO DO?

- Speak to your SLP's, Family Counselor's, OT's and PT's, to ensure they are logging their services in Easyiep.
- Request assistance if your staff is unfamiliar with the requirements.

WHAT WILL HAPPEN IF YOU DON'T?

- Your school will lose Medicaid revenue.

WHO NEEDS TO KNOW?

- SLP's, Family Counselor's, OT's, PT's and ESE Specialist's.

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- Reports showing Medicaid services documented for each school can be requested from Student Support Services. The report can be used by the principal to determine if any of their staff is not billing Medicaid.
