

ALL LIBRARY MANAGEMENT SYSTEM

** Information provided below is pending on an expected approval **

WHAT'S NEW FOR 2009-2010?

- 🍏 Follett's Destiny Library Management system will be implemented to provide a uniform infrastructure for monitoring library resources to ensure equity and access. The Library Management system will be used for circulation of library materials, classroom research, data collection, and curriculum integration.

WHAT YOU NEED TO DO?

- 🍏 Identify and release staff to be trained on Destiny Library Management System.

WHAT WILL HAPPEN IF YOU DON'T?

- 🍏 Inaccuracy of inventory/circulation reports.
- 🍏 Reduced ability for students and teachers to quickly and efficiently search District databases.
- 🍏 Limited integration of curriculum with library resources.

WHO NEEDS TO KNOW?

- 🍏 Principals, media specialists, and library media clerks

HOW WILL YOU COMMUNICATE FOLLOW-UP?

- 🍏 Learning Resources & Instructional Materials will provide information and instructions when appropriate.
