

SECONDARY PMRN

WHAT'S NEW FOR 2009-2010?

- 🍏 All K-12 Principals must register their schools in the State's Progress Monitoring and Recording Network, or PMRN, Florida's web-based data management system for the reporting of student gains in reading.
- 🍏 Registration is required for the PMRN Coach's Log. All Reading Coaches at all schools must log their coaching activities in the PMRN biweekly, using the PMRN Coach's Log.
- 🍏 Only Correct II, Intervene, and 2008-09 implementation pilot schools will use the FAIR as the progress-monitoring tool for all Level 1, 2, and 3 students. The Web-based Assessment Module (WAM) will be used to assess grades 6-12 students online and the student data will be automatically uploaded into the PMRN.
- 🍏 All schools not designated as Intervene, Correct II, or 08-09 pilots will continue to progress monitor all FCAT Level 1 and 2 students in Virtual Counselor, following the appropriate 09-10 Secondary Assessment Charts.
