

## Displays

**Displays** are used for many reasons: to promote a special item or collection; or create interest in a topic, event or news story.

**Displays** could be used to:

- ❑ Feature student's poetry, projects, or books
- ❑ Exhibit books and other materials written by a visiting author
- ❑ Publicize a literary event
- ❑ Celebrate a holiday
- ❑ Advertise new library materials
- ❑ Explain a historical event

### **Guidelines:**

- ❑ Use a variety of colors
- ❑ Arrange items at different heights
- ❑ Provide a range of materials
- ❑ Label items that may not be self explanatory
- ❑ Include dates and locations if necessary
- ❑ Provide brochures with additional information
- ❑ Provide books, videos and realia that relate to display

**Mission: To ensure that students and teachers are effective users of ideas and information.**
