

THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
Learning Resources & Instructional Materials Department

**COPYRIGHT PERMISSIONS FOR PUBLIC PERFORMANCE
AND CCTV DISTRIBUTION OF VIDEO**

This list identifies producers/vendors, which have granted Broward schools public performance rights (the right to show videos for after school care, motivation, or enrichment outside the lesson plan) and/or CCTV permission (the right to broadcast on a single school campus). If your collection includes videos by these producers, please label them with an adhesive-backed label indicating the specific permissions.

If there are other PRODUCERS (not distributors) from which you frequently purchase, send a written request to Learning Resources and we will try to secure both of these permissions for the district.
