Nicely written SPBP! In sections 3C and 4C, please make sure to include the specific times the lesson plans will be taught from the master schedule. This will provide consistency in implementation of teaching the behavioral curriculum among faculty. In Critical Element 5: Reward Program, please include specific detail on how you will monitor fidelity of staff implementation and student outcomes. Student outcome monitoring should relate back to the goal statement in step 2. In Critical Element 6: Discipline Process, some of the consequences listed in the menu in section 6B are rules. Consequences should include strategies teachers can implement in the classroom to reduce problem behavior such as reteach expectations/rules, seat change, loss of privilege, etc. In section 6C, please include two additional office managed behaviors with definitions for each.
